"School's cancelled! OH NO! "I'm sure that was the typical reaction all across the Wright City School District. How did you find out? Did one of your parents tell you? Did someone call? Did someone drive by and tell you, or did you drive to school that morning only to find out when you got there that the buses had been vandalized and school was cancelled?"

The first person to discover that ol' 40 was in a neighbor's garage were drivers Chuck Ambrose and Jim House. They called Ivan Paul, Transportation Director. After calming down, Paul called Mr. Overlander and then the police.

While looking through the buses, Paul discovered several things out of order such as brake and clutch lines cut. Distributor Caps on the roof of the school, etc.

Later in the morning, the local police arrived on the scene. They proceeded to take fingerprints from the buses and left to work on the case. What a beginning!

DANCES

Bursting Through the Hay

"Can I have this dance?" asked Becky.

"Did you brush your teeth this morning?"

"Where do you think everyone is at?" asked Mr. Head.

Yee Haa! Holáy!

This year's Barnwarming dance was held on October 27 from 7:30 to 10:30 pm. The candidates collected money and the one who collected the most won. This year's winner was Junior Paulette Dutton. The other candidates were Senior Holly Williams, and Sophomore Jennifer Justice. The retiring queen was Wendy Jaspering and her escort was Wayne Requat. Monies collected are used for the annual FFA Convention trip in Kansas City and the spring banquet.

Every year the Red Cross comes to Wright City High School. Students and generous people from the community turn out in the spirit of giving. This year the goal was 60 pints and 59 were collected. The Red Cross volunteers were aided by Stu-Co, FFA and FHA. Thanks to all who participated.

1989 Softball Season

This was the third year for the W.C. program existence. The season was a success in many ways — although at first glance the win/loss record may not reflect this (5W-9L) season. The participation of students was full of good competition. Certainly one disappointment was the weather. Six games were lost due to the rainouts.

The seniors will be missed as always. However there is enough talent remaining to provide for a strong base for next year.

Back row: Assist. Coach Sue Wright, Rita Joesoef, Lisa Cate, Karen Cronk, Jennifer Justice, Tracy Frischman, Coach Rusty Elifritz.

The JV Basketball girls' team ended the season with a record of 4-12. The girls lost the last game with a score of 32-42. However the last home game was their fourth victory. They defeated Orchard Farm by 44-22. They really played tough.

Waiting and anticipating.

Ooo . . . gross, Karen!

They always do that to me, Tracy.

Rebound, girls!

Future Shock

The overall JV and Freshman record this year was 9-17. But 5 of the losses were by 4 points or less. JV team was a very young team this year. 9 of their 10 players were Freshmen. But they played very well against older ball clubs. Their goal at the beginning of the year was for every player to improve individually and to become a better team player, and they accomplished what they set out to do.

Front row: Aaron Holiway, Rodney Richardson, Nathan Thomas, Brian Bertke. Back row: Coach Dale Kelly, J.T. Heideman, Dwayne Lewis, Nathan Rook, Eric Washburn, Jeremy Kitchen, Scott McLaughlin.

The 1989-90 Wright City girls' basketball team broke 500 this season. This year they created a fundamentally sound team and slowed down the pace a bit. it took a while to get used to, but they improved with every game both offensively and defensively. Three cheers for the Wright City Lady Cats!

Chris and Robie on the run.

This year's team was a very dedicated, hard working team. The boys have had something different than any team for 14 years has ever had, a new coach, Jim Hofstetter. He took the place of a very successful coach, Dave Gerdeman. The record does not show the hard work and dedication the team has shown.

The Cheerleaders had a successful season. The Captain is Holly Williams and the Co-Captain is Jennifer McDaniel. They have a new sponsor, Miss Kassi Bogolin. They also held a cheerleading clinic for grade school girls. The team deserves a lot of praise for their excellent, hard work and for getting our spirits up at all of the games.

N.H.S. members enjoying the spotlight of the Camera.

National Honor Society consists of 25 students, 10 of which were inducted into the club this year. This is one of the highest honors that a high school student can be awarded. The selection of the students are not determined by high academic averages alone. N.H.S. strives to recognize the total student: one who excels in all of four categories. The categories are Scholarship, Leadership, Service, and Character. Membership of N.H.S. carries with it certain privileges, responsibilities, and an obligation to demonstrate the outstanding qualities that resulted in their selection. Mrs. Diane Ward is the sponsor, Shelly Schubert, Pres., Wendy McDaniels, Vice Pres., Laurie Cate, Secretary, Holly Williams, Treasurer, and Jon Held, Stu. Co. Rep.

NEW BEGINNINGS

Foreign exchange student, Rita Joesoef, presents Mr. Head with an Indonesian coat of arms.

"But Jennifer . . ."

Student Council has kept very busy this year. They first sponsored a "Senior Citizen Prom" which was a huge success, which not only got students involved but the entire community. They also sponsored a fun-filled Spirit Week involving Woodstock Day, Backwards Day, First Grade Day, and Blue and Gold Day, with different activities each day. The Homecoming games followed that night against the alumni and the dance afterwards. Student Council also sponsored the annual Red Cross Blood Drive. Thanks to the entire Stu-Co for 'all' their time and hard work.

GOOD LUCK!!!!

R U E N S L O I U M R I C T E E S D

Mrs. Cheri Joyce is the PAS Coordinator here at WCHS. Pas is a system of punishment designed to allow the students to work and earn credit for their classes while they are suspended. During an in-school suspension, you will see a lot of Mrs. Joyce.

Miss Teresa Briney and her aide Mrs. Sayers help those with behavioral disorders. They help them to set goals and to achieve them, giving them the chance to feel the joy and success in doing so. Mrs. Cindy Biondo and Mrs. Janet Gerdeman are the resource teachers here. They enjoy working with the kids and they too feel a sense of accomplishment when their students succeed.

"To put it in a nutshell, we work hard." —
Miss Briney.

Start each day with a smile and get it over with!

She works hard for the money!

If you ever wonder why our school looks so clean its because of our two custodians, Ed Bohler and John Schmidt. Ed, the daytime custodian has been here, at Wright City High School, for 7 years. Ed likes it here, and especially likes being around the students. He plans on working here until he retires. Ed's least favorite aspect of his job is cleaning up the girls' bathroom and his favorite is joking around with the students.

John Schmidt, the night custodian, has just started here at the beginning of the school year. He is basically involved in maintenance and he purchases janitorial supplies. He, like Ed, likes it here. He plans on staying here until he, too, retires. His favorite aspect about his job is "doing different jobs and moving about from day to day", and his least favorite is cashing his paycheck.

1st row: Ivan Paul, Dorothy Key, Pat Brockmeier, Judy Thorpe, 2nd row: Leslie Hornbeck, Ray Arenz, Wayne Sitton, Jim House, John Schmidt, Chuck Ambrose, and Jim Huster. Not pictured: Colleen Tinsley, Dale Kelly, Georgia Koster, Dan Charlton, and Bonnie Schreckengast.

If it were not for the bus drivers, many students would not make it to school. They have to be up at the school by 6:30 a.m., to deal with noisy and unruly kids, while concentrating in all directions to provide a safe ride to school for students.
