# DEDICATION

## DEDICATION

We, the Seniors of 1944-45, do hereby dedicate our efforts in compiling this edition of the Wild Cat Echoes to the memories of those who have, thus far, made the Supreme Sacrifice in our behalf. May their efforts and sacrifices not have been made in vain and may it bring about a lasting peace. May we educate us and our posterity to see that the ideals for which they fought be forever held in high esteem.

## HISTORY OF THE WRIGHT CITY HIGH SCHOOL

The Wright City High School was established in the City Hall in 1922. Since then its progress has been the chief concern of the town and community. The school was begun as a two year high school, advancing to a three year high school in 1923. In 1930-31 it was recognized as a first class four year high school, and at this time its graduating class consisted of nineteen students.

With the addition of the new gymnasium in 1931 the school established a reputation for playing winning basketball. At this time there was only one trophy in the trophy case, and during the ensuing fourteen years one hundred and nineteen trophies were added. At the present, the one hundred and twenty trophies are on display in the trophy case at the entrance of the school.

The addition of Home Economics in 1937 enabled the school to train girls to be better home makers. In 1943 they organized the Modern Miss Club which helps to create leadership.

The Music Department, during its first year produced a fine orchestra and in 1941 was converted to brass instruments and is now recognized as the W. C. H. S. Band.

The Vocational Agriculture Department is another great advancement. It has made various improvements and has produced four State Farmers in the past three years.

In 1938 a thirty-five thousand dollar, fourteen room school building was constructed under the supervision of the W. P. A. A two thousand dollar bond issue was voted by Wright City for payment on the building. The bonds have been paid off and the school is free of debt.

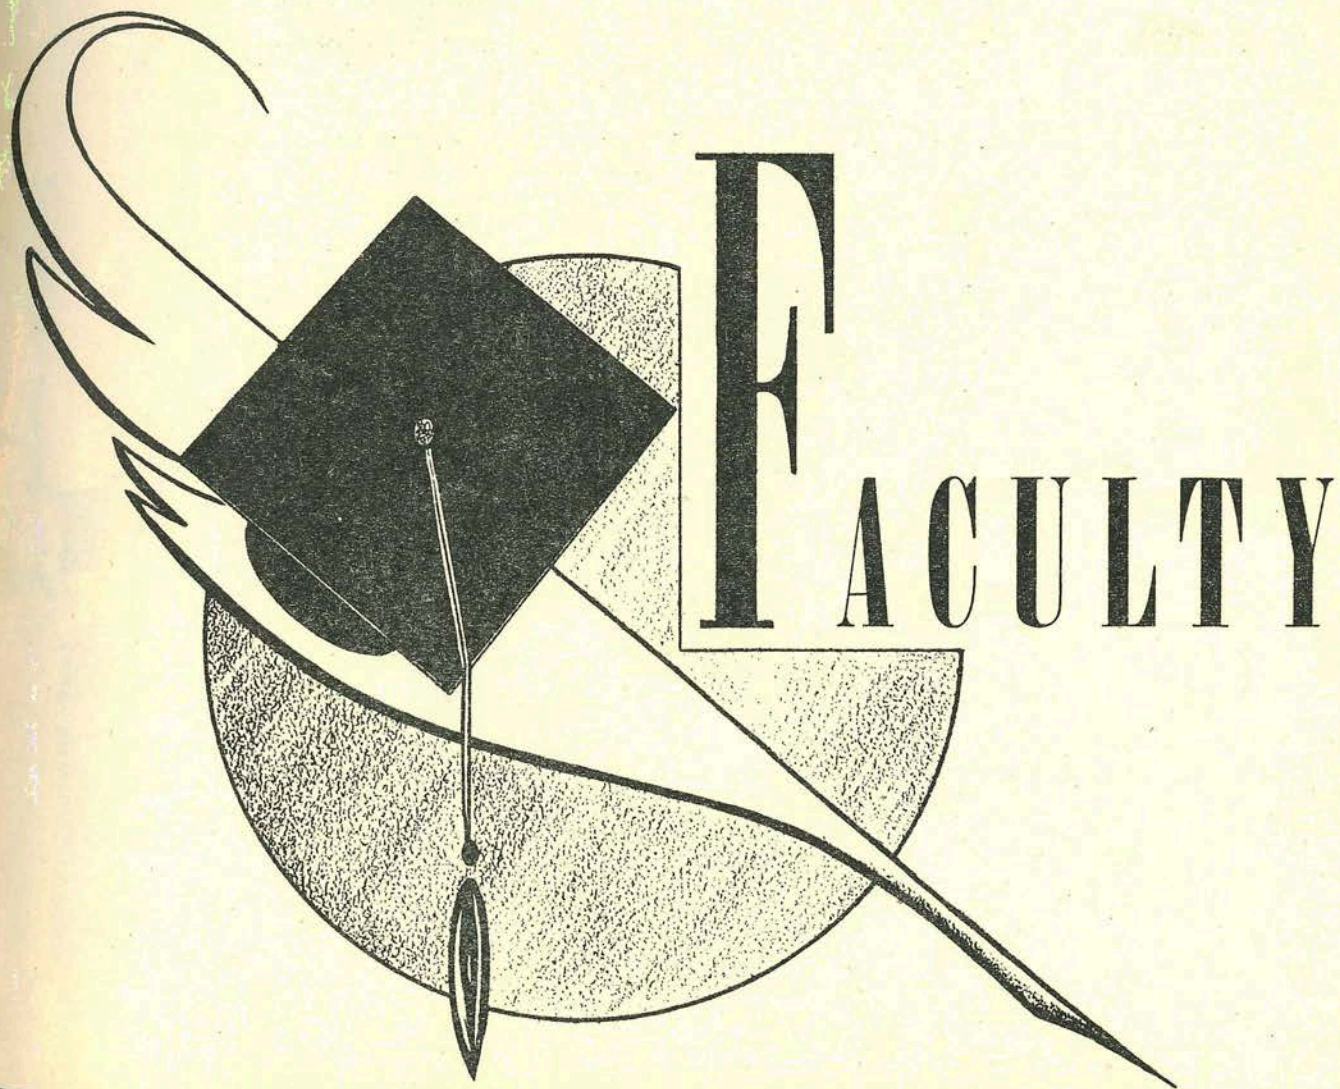

In 1944 the Service Board was placed in the hall of the school upon which there now are one hundred and two names of former students of Wright City High.

This year a movie projector with a sound track has been purchased by the Student Body. A class room screen and an auditorium screen was financed by the Alpha Club of Wright City and presented to the school.

We are proud of our school and we will ever continue to say:

"Hail to Thee, Wright City High School  
With your Gold and Blue  
To our noble Alma Mater  
We will e're be true.  
Lift your voices loud in praises  
'Til the rafters ring  
Hail to Thee, Wright City High School  
Hail to Thee we sing."

## SENIOR CLASS HISTORY

Of course, I started out as one of the greenest of the fifty green Freshmen of 1940. Since I had spent all of my grade school days in a small one room country schoolhouse, I was quite astonished to find myself among one hundred and thirty-five boys and girls. None of my best friends attended high school because they hated to study, so there I was by myself wondering what would happen next. However, within a short time I knew most of my classmates and teachers. I recall that our Freshmen class officers were: Burton Nissing, President; Roger Brandes, Vice President; Huetta Turpin, Secretary and Treasurer; Mildred Hunn and Wilbert Schmidt, Student Council members; Mr. McKinsey, Sponsor.

During my four years of high school, I enjoyed nothing more than the trip to Kirksville for the spring contest, which our band made when I was a Freshman. Since I had never been that far away from home before, I was rather frightened, especially on the return trip when we had three blowouts. While waiting for someone to bring some tires from Wright City, we went to a place, where I, for the first time in my life, tried to dance. I dare say, those clumsy steps could hardly be called dancing, but nevertheless, time passed more quickly. It was about 4:30 the next morning, when I finally reached "home, sweet home" again, but I admit that I had really enjoyed my trip in spite of the tire trouble. Incidentally our band received a superior rating.

Eventually we became silly Sophomores, and although the personnel of the class had changed somewhat, there were still forty-eight members. Our officers for this year were: Burton Nissing, President; Gilbert Kreuger, Vice President; Delores Meyer, Secretary; Doris Thiemann, Treasurer; Dorothy Welch and Wilbert Lohmann, Student Council members; Mrs. Hamblin, Sponsor.

I thought the outstanding class event of the year was the initiation of the Freshmen. I remember, besides the funny garbs that the Freshmen wore, the horror that some of the girls expressed when they were blindfolded and told that a certain Sophomore boy was going to kiss them. Of course, they screamed and their faces turned rather pink when someone kissed them. I remember one girl in particular, who cried after she had been kissed. I think she was ashamed of herself after she found out that only a Sophomore girl had really kissed her.

During my Junior year, under the leadership of Gilbert Kreuger as class president and Mrs. Lichtenberg as class sponsor, we gave a "Mexican Prom" in honor of the Seniors. As chairman of the refreshment committee, I worked in the Home Ec. room all day. We made chicken salad sandwiches and fruit punch. Our sponsor was in the gym helping the others

## SENIOR CLASS HISTORY (con't)

to decorate, so we fixed the refreshments just as we wanted them. That evening we had a great deal of fun dancing to the music of the Club Royal orchestra, but I could not enjoy the refreshments. Even though we had worked so hard planning the Prom, I think we appreciated it much more than any other party.

Our Junior play was entitled "Special Delivery."

I've enjoyed my Senior year more than any other year. It seems as if everyone is more friendly and greets me with a smile, even the teachers. I often wonder why.

The class officers who served this year were: Gilbert Kreuger, President; Eunice Paul, Vice President; Doris Thieman, Secretary; Mildred Hunn, Treasurer; Margie Fry and Emmet Brakensiek, Student Council members; Miss Clough, Sponsor.

Outstanding events of this year have been the arrival of our class rings, the Senior invitation party in December, the Senior play entitled "Growing Pains," and now looking forward to Commencement.

Since I was a member of the Pep Squad, I attended the Wright City and Wentzville Basketball Tournaments. Seeing so many boys and girls of high school age made me feel as though I'd like to know each one of them. Of course, this was impossible, but I did enjoy talking to some of them. Some were glad to talk about their school life while others would reply with sarcastic remarks. Thus, I discovered that the reputation of a school is often based on the behavior and personalities of the students, when they are visiting other schools. Therefore, as I leave Wright City High, I shall always try to carry its cheerful and willing school spirit with me, wherever I may go. M.F.

## JUNIOR CLASS HISTORY

After having graduated from elementary school in the spring of 1942, I looked forward to attending high school with anxiety although I secretly dreaded initiation.

At last the day arrived, and boys and girls appeared with a look of wonderment at what the day would bring. We struggled through hours of choosing classes, filling a schedule, and learning our way about the building; gazing at everyone. By the close of the first week, the Freshmen Class had organized with the election of the following officers: President, Joyce Ryker; Vice President, Johnny Campbell; Secretary and Treasurer, Florence Floyd; Student Council members, Earl Waltermann and James Waltermann; Sponsor, Mr. Sanders.

For us initiation wasn't as bad as it might have been. We were told by the superior Sophomores to wear our clothes wrong side out and backwards, a different kind of shoe and sock on each foot, and a sign hanging from our neck saying "I'm a nut." Somehow I managed to live through the day and our initiation was brought to a close that evening at an all school party in the gym.

The following were elected officers our Sophomore year: President, Floyd Bruning; Vice President, Joyce Ryker; Secretary and Treasurer, Betty Owens; Student Council members, Johnny Campbell and Emogene Meyerotto; Sponsor, Mrs. Schnadt.

During this year we were especially honored by having Velda Cox voted the Queen of the Barnwarmin' and the Queen of the Basketball frolic.

The officers chosen to direct the activities of the eighteen Juniors this year were: President, Gilbert Groeper; Vice President, Velda Cox; Secretary, Joyce Ryker; Treasurer, Alice Dockler; Student Council members, Betty Owens and Lloyd Bruning; Sponsor, Mrs. Ahmann.

Our first achievement was the presentation of the Junior Class play entitled "Sara Sees It Through." I shall never forget the zero weather on that January thirty-first, nor Lloyd Bruning in the role of a Chinaman.

Though there have been "gobs" of parties, the Juniors are busy with plans for their Junior-Senior Prom, which will be the highlight of our social life. I am dreaming now of my first formal dress for that occasion and I do hope my escort remembers a corsage.

All in all I have enjoyed my three years in high school, and naturally, when my graduation time rolls around, I'll regret leaving good old W. C. H. S. --J.R.

## SOPHOMORE CLASS HISTORY

Our class never did appear green as most Freshmen; we came right in, felt right at home, and we were ready and waiting for anything to happen. In our class something usually did happen. None of the drab, dull affairs for us. We had a good time from the start!

After we were better acquainted with our twenty-nine classmates, we elected the following officers: President, Gene Stapp; Vice President, Yvonne Stamer; Secretary and Treasurer, Billy Lee; Student Council members, Mary Jo Schaper and Rodney Pitts; Sponsor, Mr. Thomas Sanders.

We were initiated by the Sophomores, but it was fun for us too. A party was given to "break the ice" and another invitation party was given at the end of the year. This stands out in our minds as it gave us a chance to prove our ability to entertain our guests.

Though our class has decreased in size this year, we have not decreased in class spirit. There were twenty-one Sophomores to take their stand to try to complete their education. We elected the following officers to guide our steps through this year: President, Rodney Pitts; Vice President, Mary Jo Schaper; Secretary and Treasurer, Myron Welge; Student Council members, Marilyn Holt and Robert Reed. We chose Mrs. Eli Mittler as our sponsor.

The Sophomores took part in the Program for the War Chest Drive by presenting a play entitled "Pig of My Dreams". Mary Jo Schaper, Rodney Pitts, Marilyn Holt, and Myron Welge were in the cast.

Our much postponed class party was given just before the Christmas holidays. We had a good time dancing, although William Wehmann was a little nervous about having unscrewed some of the bright light bulbs.

We have tried to keep up with our lessons and also with various activities. Our class is well represented in Basketball, Band, Pep Squad, the Modern Miss Club, and FFA.

May we continue to uphold our reputation for being the "peppiest" class in Wright City High School. --Y. S.

## FRESHMEN CLASS HISTORY

"Good Morning. Just find a seat in the study hall," said Mr. Scheer to eighteen boys and girls on the first day of school this year. I trembled with fright as to what the day would bring. However, the faculty and upper classmen took good care of us and I was surprised to find myself at the end of the first day eagerly looking forward to my Freshmen year in high school.

By the close of the first week of school we were well enough acquainted with our class mates to elect the following officers: President, Vivian Paul; Vice President, Melna Jean Bueneman; Secretary-Treasurer, Fred Tillinger; Student Council Members, Carl Dyer and Shirley Schwier; Sponsor; Mr. Heusi.

Now that the year is drawing to a close I think back over my many experiences, I remember the Sophomore's initiation for the Freshmen. Someone told me that I made a good looking girl, since I was dressed, as the other boys in a girl's dress, hose, and shoes. I also wore a ribbon tied around my head and plenty of rouge and lipstick. My necklace was a raw onion on a string and I carried a doll. The Freshmen girls had to dress in boys clothing and could not wear cosmetics. The initiation ended with a weiner roast for the entire student body.

The F.F.A. Barnwarmin' in October was the first party that I ever attended without my Father and Mother. It was also at that party that I first tried to dance with a girl and I thought it was really fun.

The F.F.A. initiation of the Green Hands (I was one) was my most thrilling experience. They had me take a broom and hold a pan of water underneath the ceiling of the room. Then I was told to move and of course I was almost drowned by the water. I was proud though, when I was given the F.F.A. pin.

The Christmas party given to the student body by the faculty was fun, too. We were divided into four groups: Merry Christmas, Happy New Year, Santa Claus, and Jingle Bells and had an indoor track meet. The games were followed by dancing and then the gifts were given to us. I imagine Vivian Paul will always remember her gift from Billy McCarver!!!

The Freshmen invitation party wasn't successful as far as attendance was concerned for there were more guests than class members, but we had a good time anyway and an abundance of refreshments.

I'm glad that I have three more years of high school life to look forward to as I have had such a wonderful time this year. --N. L.

## ELEMENTARY SCHOOL

During the school year 1944-45 the Elementary School has an enrollment of 87 pupils with the following teachers: Primary, Leoma Johannaber; Intermediate, Ruth Wackher; and Upper Grades, Cleo Scheer.

On October 25, the Grades presented a negro Minstrel which was attended by a large and appreciative audience. The proceeds were given to the War Chest Fund.

The annual Halloween parade and party was held. Prizes of Defense Stamps were awarded the best dressed boy and girl in each room. Prizes were awarded to Lois Marie Feix, Allan Hedeman, Judy Cafer, Fred Kingston, Mildred Klatt, and Glenn Cafer.

The entire Grade School enjoyed a Christmas party in the gymnasium. Each room was divided into teams. Various contests and relays were played with the winning team being awarded a small prize. After refreshments were served, the gifts were distributed and Christmas songs were sung by the group.

Boys and Girls in Grades Six, Seven, and Eight served as Patrol Boys and Girls.

Reading Circle Certificates will be awarded to the boys and girls who are doing the required reading for their respective grades.

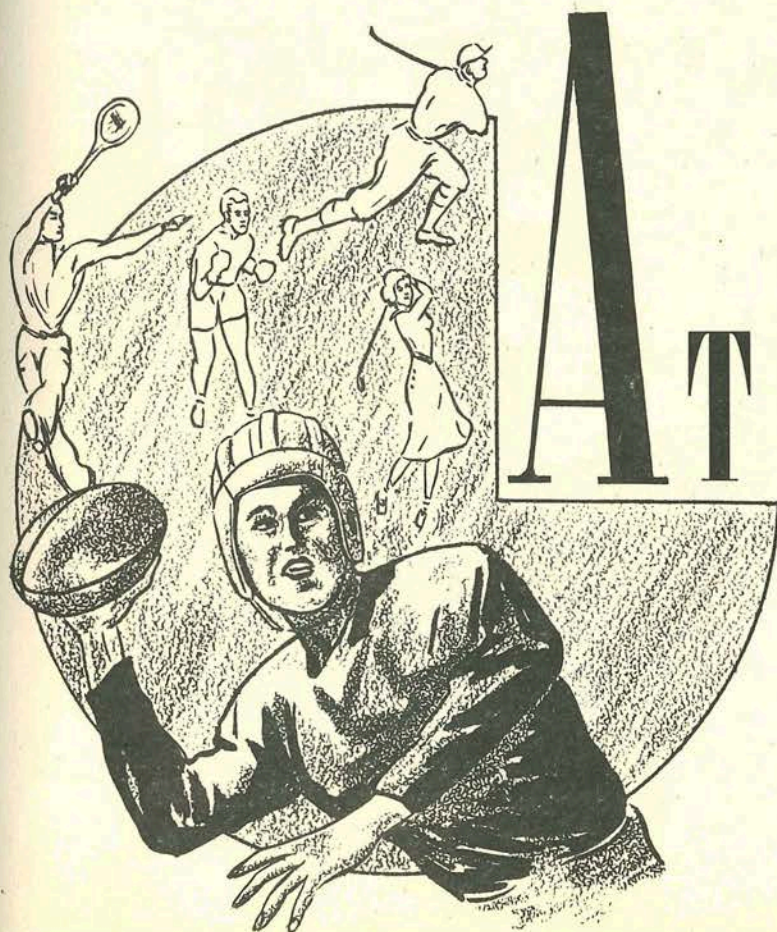

## GRADE SCHOOL TOURNAMENT

The Grade School Boys attended a Basketball Tournament at Bellflower on January 13. The team making the trip consisted of: Glenn Cafer, Captain; Robert Cook, Otis Symes, Billy Twiehaus, Robert Delaloye, Nelson Seger, Billy Anthony, and Billy Cook. In addition to winning the Second Place Trophy, Glenn Cafer and Billy Twiehaus were selected on the First All-Star Team, Cafer as Captain of this team; and Otis Symes was selected on the Second All-Star Team.

## FUTURE FARMERS OF AMERICA

The Wright City Chapter of the F. F. A. is composed of thirty active members. Our officers for the year were: Wayne Williams, President; Winston Busekrus, Vice President; Emmet Brakensiek, Secretary; Wilbert Lohmann, Treasurer; Richard Christopher, Reporter; and Roger Brandes, Sentinel.

One of the first activities of the year, and probably the most important that we took part in, was the Barnwarming. Emogene Meyerotto, who represented the Junior Class, was chosen queen. Her attendants and the classes they represented were as follows: Margie Fry, Senior; Mary Buchanan, Sophomore; and Shirley Schwier, Freshman.

At the beginning of school we all worked hard to complete the canning center and to build the coal shed along the east side of the gym. Forty-two projects were planned, and a number more were to be added before the end of school.

The annual Father and Son Banquet was held on March the ninth, with Mr. E. M. Woods of the University of Missouri as guest speaker.

Several basketball games were played with Warrenton with our teams coming out ahead on the score.

Due to the great desire and love of playing pinochle, the F. F. A. boys had a "stag" pinochle party. It was a most enjoyable success.

We are proud of our accomplishments and happy to have been able to enjoy the benefits and fellowships of F. F. A. this past year.

## MODERN MISS CLUB

The Modern Miss Club, which was organized in 1943, is comprised of all the girls who are enrolled in Home Economics and those who have completed two years of Home Economics work.

The purpose of the club is to promote interest in Home Economics, to develop a better spirit of friendliness among girls, and to sponsor various social activities.

Regular meetings are held on the fourth Monday of each month with the following officers in charge: President, Eunice Paul; Vice President, Mildred Hunn; Secretary and Treasurer, Mabel Freese; Reporter, Mary Jo Schaper; Sponsor, Miss Clough.

A cake walk was given by the Club in connection with the program for the War Chest Fund from which more than forty dollars was realized.

The Washington Birthday Dance was our outstanding party of the year. Elaborate decorations and dance programs added to the spirit of the evening.

The achievement of the year was the purchase of a large punch bowl set for the Home Economics Department.

## STUDENT COUNCIL

The new officers and members who assembled for the First Student Council Meeting were: Charles Christian, President; Doris Thieman, Vice President; Mabel Freese, Secretary and Treasurer; and Margie Fry, Emmet Brakensiek, Betty Owens, Lloyd Bruning, Marilyn Holt, Robert Reed, Shirley Schwier, and Carl Dyer, members. This meeting was held September 15, and at that time we were acquainted with the customary privileges and duties of the Council by Miss Clough. We set the date for our regular meeting and immediately began to plan our activities. After discussing the sale of war stamps and bonds, the Vice President was put in charge of this responsibility. We decided that as in the past, monthly assemblies would continue to be given by the classes and departments in their turn. Our meeting was then adjourned.

All meetings have been faithfully attended by everyone and many decisions made as the needs arose. The school's Honor Roll containing the names of all people in the service who once attended W. C. H.S. has been continually kept up to date. New regulations made for the purpose of keeping our school more neat were set up. We decided to have one better all-school party instead of four separate class parties.

These are a few of the more important issues which have been settled while enjoying a friendly and cooperative association, by the Student Council of 1944-45.

## ANNUAL STAFF

The Annual Staff is comprised of individuals from the Senior Class. A class committee chose candidates for each position on the Staff and the final selection was made by the Faculty.

Early in the fall the towns of Wright City, Foristell, Troy, and Wentzville were solicited for the advertising for the Annual by the Staff Business Managers, Meryl Dyer, Margie Fry, and Mabel Wildschuetz, and representatives from Walsworth Brothers, our publishers. Due to the cooperation of the businessmen of these towns, the results were very gratifying.

Each member of the Staff has done his part in compiling the book and the Seniors are proud to have been able to have carried on this activity in these trying times.

We wish to thank everyone who has helped us in any way to make our yearbook a success. May it serve as a memory book in the years to come.

## GIRLS' BASKETBALL

This year proved to be one of the finest in basketball history for the girls' team, though practically all of the last year's team was back to represent the Blue and Gold.

The team attended three tournaments. First place trophies were won at the Wright City and Silex tournaments and a third place trophy was earned at the Wentzville tournament.

The year's record surpassed the standards of some of the past teams. One record, of which we are proud, was set in the final game with Augusta at the Wentzville tournament when the six regular players did not have a foul of any kind called on them.

Letter girls were Eunice Paul, Captain; Doris Thieman, Yvonne Stamer, Velda Cox, Arlene Burnam, Vivian Paul, Euetta Turpin, Bernice Collins, and Oleta Nichols.

## BOYS' BASKETBALL

We are proud of our Boys' Basketball teams this year. With the loss of four of the regulars by graduation last spring the prospects for a good team was not promising. However, with the fast playing of Danny Bishop to form the nucleus for the 1944-45 five, Coach Hedeman soon whipped into shape one of the fastest teams of recent years.

The Wildcats participated in four tournaments; winning the first place trophy at Silex and the consolation trophy at Wentzville.

Letter men are Charles Christian, Captain; Bernard Twiehaus, Danny Bishop, Rodney Pitts, Billy Groeper, Winston Busekrus, Robert Reed, Carl Schroer, and Johnny Campbell.

## MUSIC DEPARTMENT

The band of Wright City High School had its beginning in 1939. An orchestra was organized two years previous, and during 1939-40 W. C. H. S. was fortunate in having both band and orchestra. However, due to the increasing popularity of brasses and woodwinds in our school, the orchestra was discontinued, and the band, which started with fifteen members has grown to an organization of thirty members today.

In former years the band received superior ratings at contests among competent high school bands of eastern and northern Missouri. During the past two years, because of wartime restrictions, our activities have been limited to our home town.

The first appearance of the band this year was at the program given for the War Chest Benefit Fund in the gym on the evening of October 25. It has played at basketball games throughout the season, and for a M.F.A. meeting March 16.

March 13 was chosen for a St. Pat's Dance to which each band member invited a guest.

On April 11, a Spring Musicales was presented by the school which featured the Band, Grade School Tonette Band, Saxophone Trio, Brass Quartette, Clarinet Ensembles, and a Vocal Sextette.

The band was under the direction of Mrs. Ethel Ahmann. Officers this year were Bill Groeper, President; Burton Nissing, Vice President; Mildred Faye Lichte, Secretary; and Stephen Lorber, Treasurer.

## PEP CLUB

The Pep Club was organized last fall with the following officers elected: Joyce Ryker, President; Margie Fry, Secretary and Treasurer; Joyce Ryker, Mary Jo Schaper, and Mildred Faye Lichte, Pep Leaders; Mrs. Mittler, Sponsor.

The Pep Leaders chose uniforms consisting of blue skirts, yellow sweaters with the Pep Club emblem, and yellow "beanies."

The aim of the club was to give moral support to our teams. The majority of the members attended all basketball games at home and away.

On February 15, the club gave a Valentine party in honor of the Boys and Girls Teams. The evening was spent in dancing, a number of the dances being novelty dances.

The Basketball Squads invited the Pep Club members to be their guests at their formal party on March 23.

The twenty members enrolled in the club were: Joyce Ryker, Margie Fry, Mary Jo Schaper, Marilyn Holt, Emogene Meyerotto, Velda Cox, Alice Dockler, Joan Turpin, Oleta Nichols, Mildred Faye Lichte, Betty Owens, Mabel Freese, Dolly Sutton, Doris Bockhorst, Mary Catherine Buchanan, Betty Perry, Helen Anthony, Melna Jean Bueneman, Shirley Schwier, and Yvonne Stamer.
