CELEBRATE GOOD TIMES

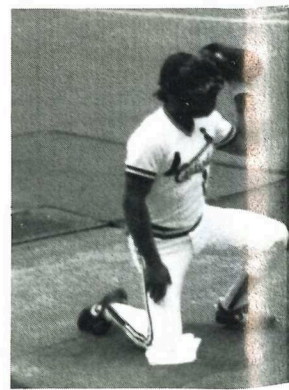

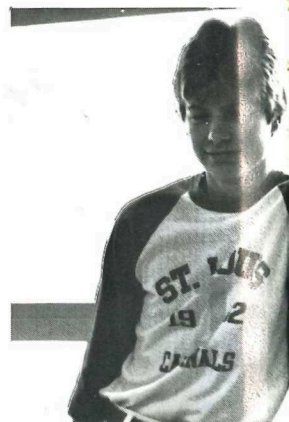

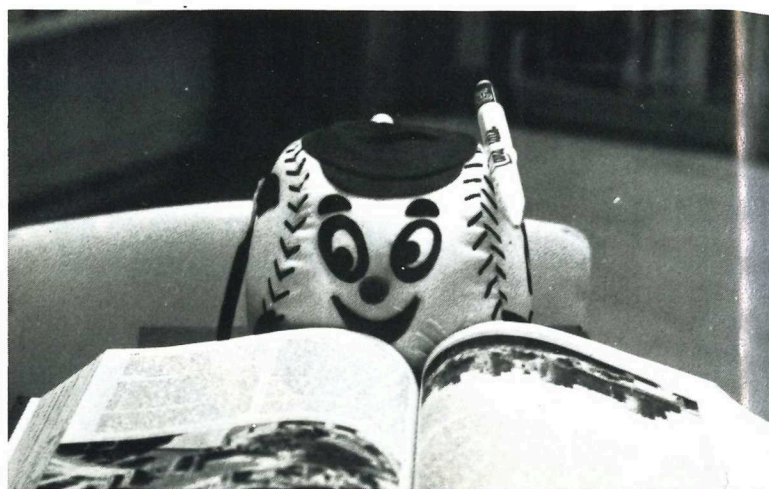

The season of 82' It's been a year to remember, for the St. Louis Cardinals, and for the fans that followed them on the path to their ninth world championship, a feat unprecedented among National League teams.

"When I found out that they were going to the series I got excited. I watched every game on TV, and on the last night, I went out to celebrate their victory!" commented Bobby Baldwin.

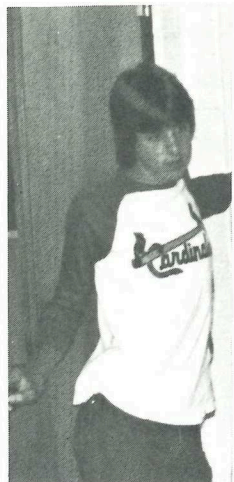

During the week of October 12 through the 20th, all of the Cardinal fans had their TV's tuned in on the World Series games. The Cardinals had become National League champions, and were now up against the Milwaukee Brewers, to become World Champions. After seven tough games the Cardinals took the victory, defeating the Brewers four games to three.

"I went to Gregg Hill's house with a bunch of friends to watch the last game. It was a lot of fun, being their cheering with my friends," expressed Shanan Bartold.

"I've never been a baseball fan, until this series. The Cardinals played so well against the Brewers, that I've got second thoughts about baseball now," revealed Billie Arnett.

ARE YOU LEFT HANDED?

"Left handers live in a right hand world. For instance, a hand shake is done with a right hand. Dancing and marching all starts with the right foot. In India, it is an insult or a put down if a person uses his left hand. Presently there is a Left Handed Lobbyist group in Washington to help attain equal rights for lefties," expressed Mrs. Ward.

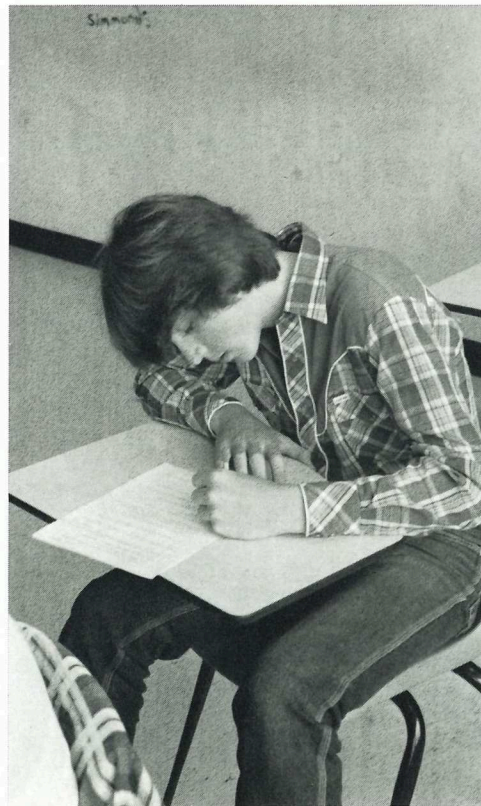

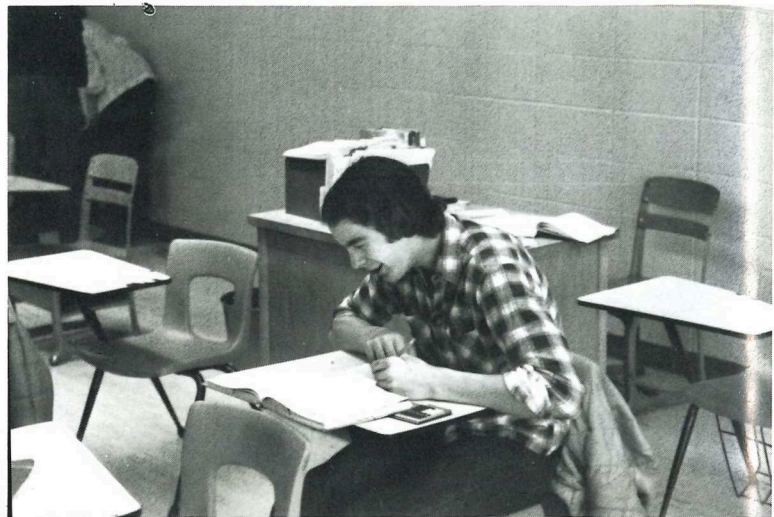

How do you feel when you walk into a classroom and all the desks are made for right handed people?

"I can't do some of my homework in my classes because all the desks are usually made for right handed people," commented Tammy Brit-tian.

If you are left handed you also have to deal with bumping arms with other right handed people when you are eating at the lunch table.

"It is the pits when you are eating at the lunch table and you are always bumpin your arm with the one next to you," remarked Andy Burt.

If anyone has ever noticed people are always asked to raise their right hand, never the left hand. The drinking fountains are also made for a right handed person.

HAVE THEY CAUGHT YOU YET?

Have you worn your izod lately? Or maybe you prefer the tuxedo look, perhaps you'll just settle for a game of Pac Man.

These are just a few of the fads of 1983 around the W.C.H.S. campus. This year new styles came rushing in from every direction, from LEE jeans to TV's new trend, Atari. This year among the fads were: Nike tennis shoes, Monogram Sweaters, and Leg Warmers. Leg Warmers were slow in getting here but once they did they really caught on. Students chose a variety of designs and colors and wore them continuously.

Many cartoon characters were popular this year but the two main favorites here were Garfield and the Smurfs. Pictures of the two were seen everywhere. A mural of Garfield was painted on one of the walls in the hall.

Styles have been changing every year and will keep on changing. So if you feel daring, wear something new. You never know, it may catch on!!!

TRADE AT 4 RIVERS

Wright City High School students made it their tenth year at Four Rivers Vocational Technical School in Washington.

This school was designed to help students who are interested in trade and not in an academic program.

"In Graphic Arts we design printed materials such as pizza hut menues, business cards, and booklets. After I leave and graduate I'm planning on going to Cape Girardeau where I will continue my studies in Graphic Arts, as a word processor," commented Twyla Fuchs.

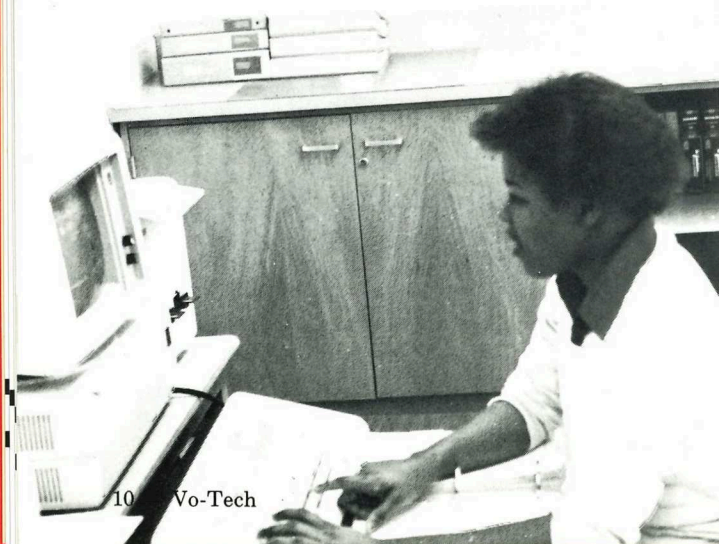

The underclassmen attending four rivers are: Mike Arnett, Tony Menne, and Tim Mound, in Auto Body I, Gloria Lashley and Chris Miller in Auto Mechanics I, Jeanna Douglas in Graphic Arts, Darren Lockhart in Welding I, and Alan Love in Career Development.

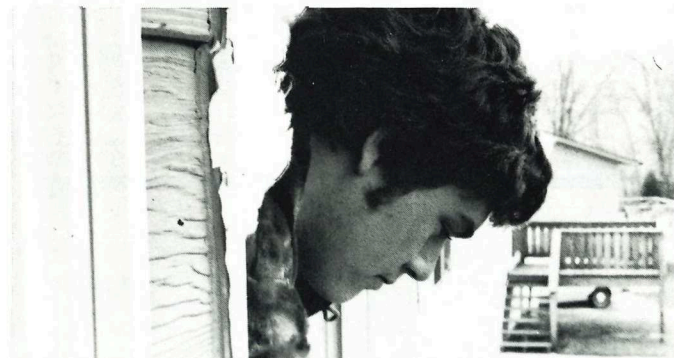

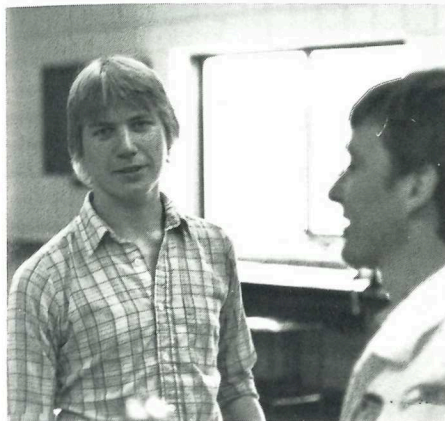

The seniors attending four rivers include Bill Beauchamp in Auto Mechanics II, Jeff Summers in Building Trades II, Dean Unnerstall in Auto Body II, Twyla Fuchs in Graphic Arts, and Debbie Butler and Lisa Schmidt in Secretarial Practice.

A LONG RIDE

"Laura Phiroopoulos and I will never forget that crazy day. I don't think Gerard Washington will either after we woke him up at 4:45 a.m. and asked him for a ride to Kirksville," joked Cheryl Marty.

On March 22, forty - seven students loaded the bus at 4:30 a.m. for the three and a half hour trip to Kirksville for academic tests.

"I had a real good time and learned a lot about publications," commented Dan Shaffer.

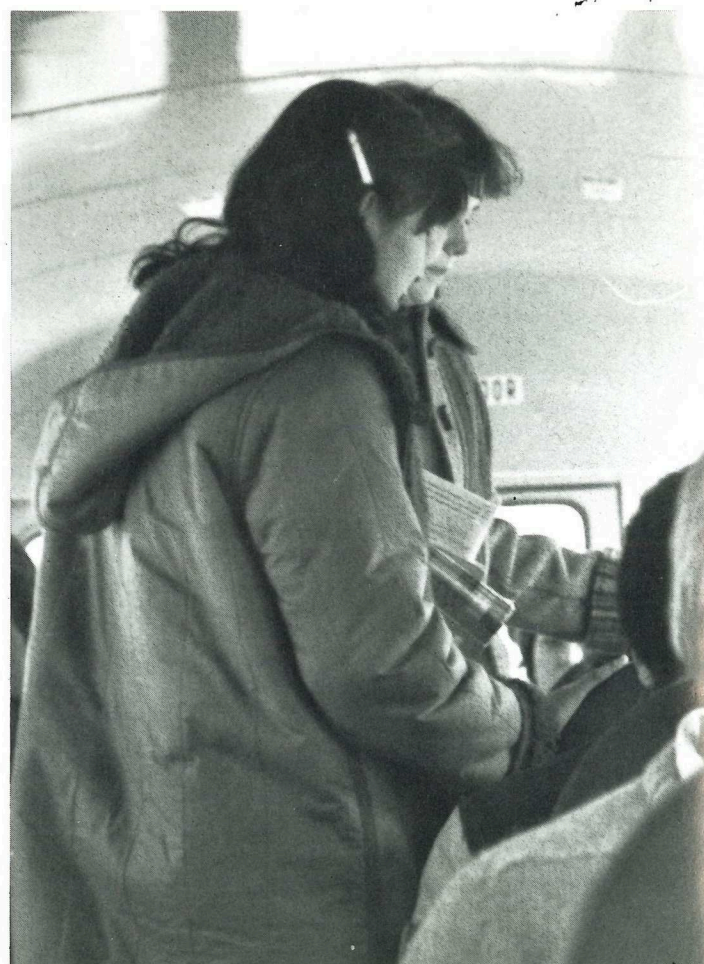

The students competed in many fields of education such as: math, science, typing, history, algebra, chemistry, creative writing, and many others. The students received ratings from one to four, one being the highest.

"I was really happy to receive a one rating on my science test. I also had a lot of fun and I would like to go again next year," commented Michelle Adams.

ELIMINATED

The Wright City Scholar Quiz team goes to Kirsville for the annual Scholar Quiz Tournament.

This year the team did fairly well. They participated in three matches before they were eliminated.

They raised money for the trip by having a funnel cake stand and by selling stationary.

Theresa Aemisegger commented, "I learned alot this year from Scholar Quiz. I hope to continue next year."

Linda Nadler was the team captain. She played a big part in the team's success.

"WE HAD TO get points someone," joked Mike Wright, (upper left).

"I JUST SAW a cute guy," Theresa Aemisegger clowned, (upper right).

FINE ARTS

Each spring the annual Fine Arts Festival is held. What can you expect to see, well of course the fine arts. These are collections of drawings, paintings, and other forms of art from the art department, and of course vocal and instrumental music.

During the festival, entertainment was provided by the Jazz Band and the High School Chorus. Throughout the evening people could observe the various forms of art.

At the end of the evening Mr. George Cheeseman, Director of the Art Department, and Beth Wilson, Art Club President, handed awards to various artists in the school.

TAKE A LOOK AT MAN

"How long can you tread water?" Have you ever been asked this question? This was asked to a few of the cast members of the cast of 'The Study of Man and Other Unrelated Accidents.'

The play was held on April 15 at the Elementary school gym. The reason for its production was to help raise money for the students who were traveling to Washington D.C.

The cast included such characters as the narrator, Adam and Eve, Noah, and several other characters.

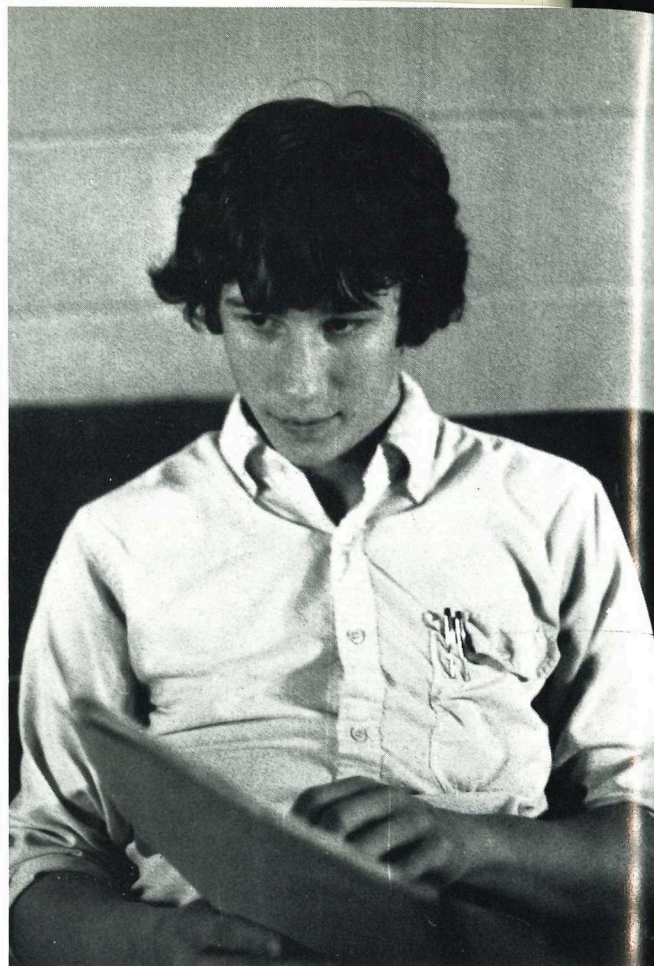

Mr. Popejoy the advisor for the D.C. trip wrote the play. Mr. Mullen was the director.

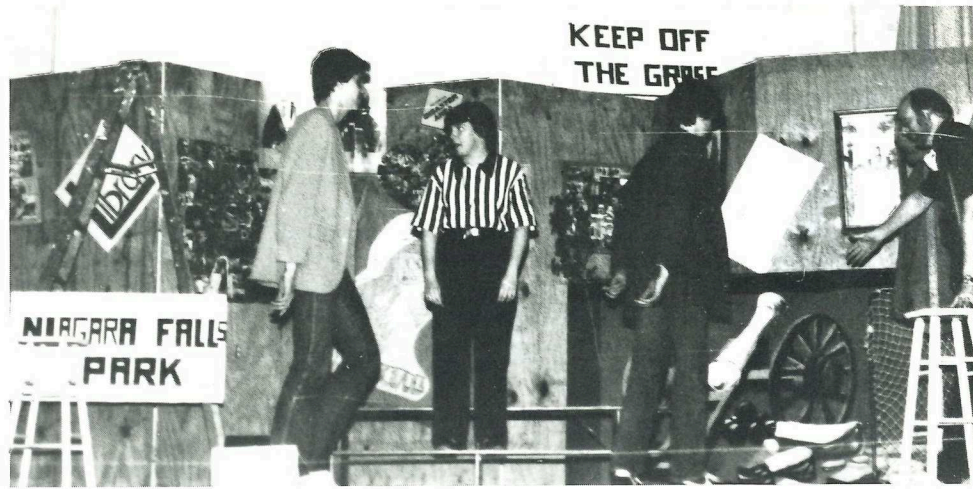

After the play, a cast party was held at the Wentzville Pizza Hut. Pizza, laughter, and a fun time were shared by all of the cast members.

SING A SONG

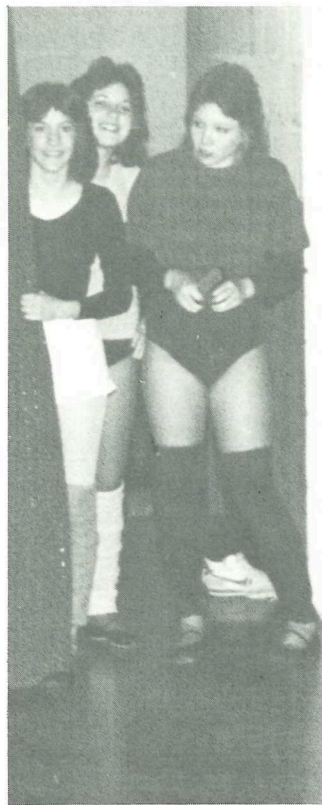

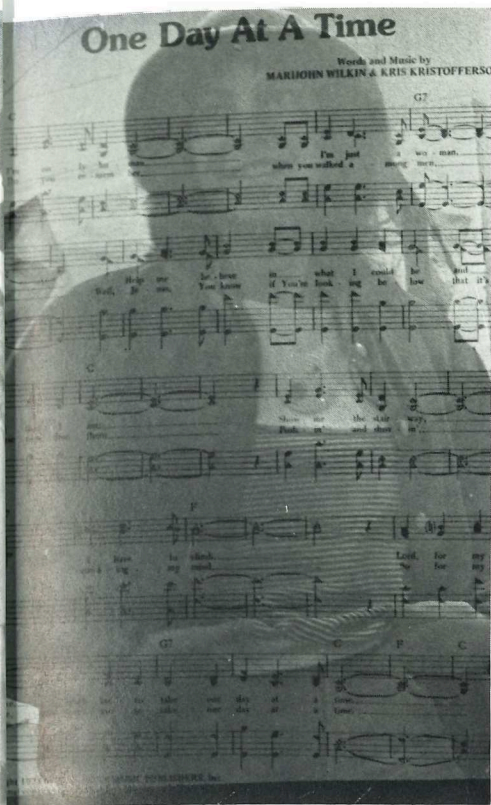

The High School Chorus is made up of many males and females. These students performed through-out the year at concerts, and also traveled to Wentzville and St. Louis, to entertain the elderly.

The chorus also competed in the district music festival in Mexico, Missouri.

Two members of chorus also competed as soloists, they were, Shan'an Bartold, and Rhonda Johnson. Both received a two rating.

MRS. KRUEGER PREPARES herself for the next number along with Rhonda Johnson and Sally Glaub, (UPPER RIGHT). MEMBERS OF THE chorus await the next song, (UPPER FAR RIGHT). LET US ENTERTAIN YOU !

Another opening, another show, was the opening number by the Wright City Singers at their Big Show this year.

They worked hard this year with Wendy Krueger, in order to be ready for the show.

They learned many tap and dance routines to coordinate with music. Mrs. Krueger led the class with the piano while Mrs. Penny Siegel kept the group moving with choreography.

Many students displayed their own talents at the show in May. Cheryl Hollenbeck sang a solo, and Bob Baldwin, Terri Figura, and Shanan Bartold did a tap routine.

"The group was more of a family than a class. They were very fond of one another and really stuck together!" Bob Baldwin stated.

NUMBER 1 RATING !

How would you describe the concert band? You would probably say they are number one. Why, because the band received a one rating at the district music festival, in Mexico, Missouri, for their performance.

Two musicians from the band received one ratings for their solo performances and went to state competition. They were Lisa Sydow, and Bill Beauchamp.

Overall the band was very busy, they played at many concerts, and even provided entertainment for Senior Graduation.

EARLY MORNING RIISERS

For the first time ever there wasn't an hour in the day for the jazz band to practice. All of the jazz musicians had to become early morning risers. The musicians were dedicated and had to practice two and three times a week. Their hard work payed off, they competed in the Fayette Jazz Festival, and received a second place.

The band performed only twice during the course of the year. They provided entertainment at the Mother-Daughter Banquet, and at the Fine Arts Festival.

MARCHING THRU

Every morning at 7:30 a.m. 59 students gathered at the gym ready for practice.

All these students were dedicated members of the marching band.

"We put in some really long hours on the practice field and road, but our efforts have paid off. We competed in two contests and marched in two parades. We had a lot of work to do to get our feet together, but we will improve with experience. This year being our first season, I think we got off to a terrific start, and we set some high standards," commented Mr. Brandes director.

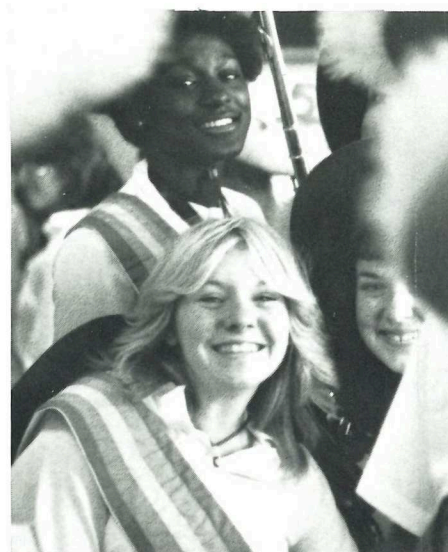

"I thought we worked really hard this year and we did great for our first year, if we work as hard next year, we'll take first place instead of third," commented Chris Blanchard.

"WE WERE INSIDE a car dealer, and we were looking at the cars, commented Angela Benney, (ABOVE FAR RIGHT).

SUPER SEASON

"1982-83 Pep band had a super season! We had a lot of fun and played at alot of basketball games. We tried to be entertaining and I feel that we achieved our goal. Our purpose from the outset was to entertain and contribute to the spirit and excitement of the basketball season. A super bunch of students were involved this year, they were faithful and dedicated. I appreciate their efforts," commented band director Gary Brandes.

The Wildcats had one steady fan club at all home games, the Pep band. They provided entertainment and spirit for the fans and players at all home games.

"I joined Pep band to help root our team on to victory," said Tim McDaniel.

To become a member of the pep band you must be in the seventh through twelfth grades, and play a musical instrument. You must also have a loud mouth. For your efforts you will receive a letter your first year, a pin your second year, and a bar each year after that.

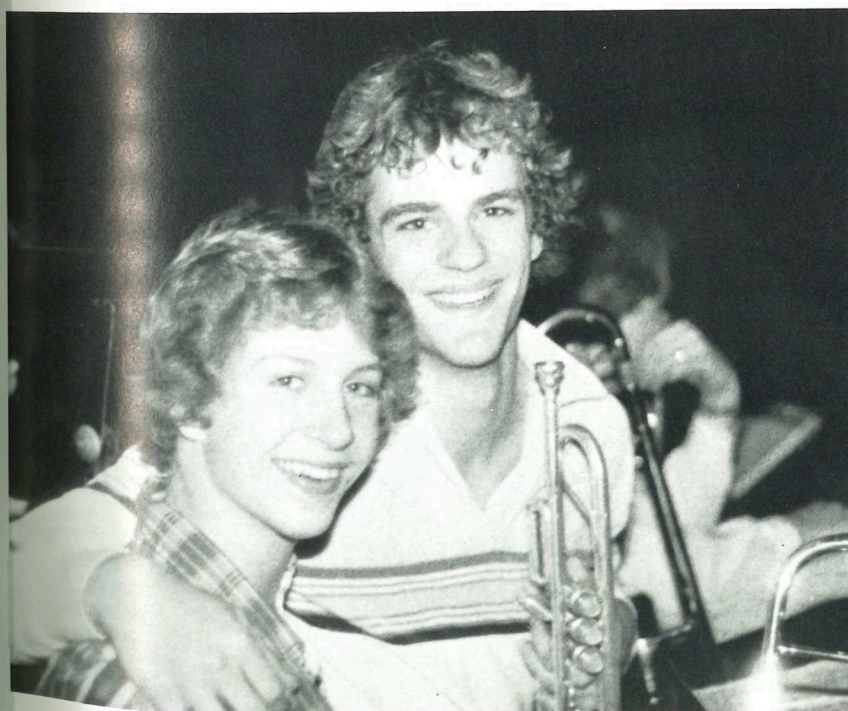

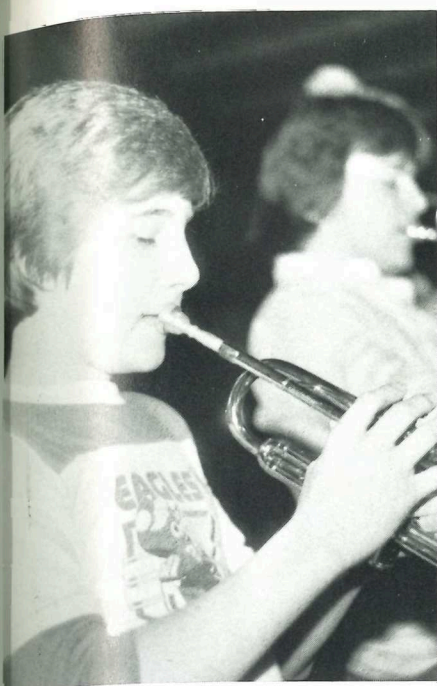

"My main reasons for becoming a member was to provide entertainment for the fans during time outs, and at the half times," expressed Donald Marty.

FUN THROUGH MUSIC

The main purpose of the Wright City Junior High Band, is to allow students to develop a better education in music through actual experience and participation. This experience should be fun and make them better musicians.

Under the direction of Gary Brandes, these students enjoyed another year of fun through music. These talented students performed at many concerts, playing a wide variety of music.

VOCAL INTEREST

The Wright City Junior High Chorus provides an activity for those students who enjoy music. It offers an opportunity for the students to gain vocal talent and valuable experience, while performing in front of an audience.

One of the main highlights of the year was the attendance at the district music festival. There they learned what it was like to be involved in competition.

The 1982-1983 Student Council sponsored different activities for the year.

Their first activity for the year was the famous Back-to-School dance. The music was provided by DJ. David Bradshaw.

The second activity for the year was the Halloween dress up day. There was a first, second, and third place awarded to the ones with the most creative outfit. B. White was awarded first place for her hunch back costume. Clint McDonal was handed second place for his dragon costume, and Robin Bonn was awarded the third place award for the original clown costume.

All the Stu-Co members started to prepare for Homecoming week and of course the Homecoming Dance. This was the first year for the Homecoming parade to be routed down the main street of Wright City.

CONCEPTS

ENDURE

The original concept for the Foreign Language Club was to have a group in which students could get together and learn about other countries, their customs, and do things after school that they could not do during school hours, such as; the French and Spanish dinners that they prepare twice each year.

This year the concept continued even though the membership dwindled to only five. Mrs. Zutter-Brock, (the club sponsor), optimistically stated, "I think that in the next few years that the interest in foreign language will be on the increase do to the fact that more and more colleges are starting to require a foreign language once more."

THEY'RE ON THE DOUBLE

As the saying goes; Two heads are better than one, and this year it has proved itself true. This was the first time in its five-half year existence that the J.H. Stu-Co has had two sponsors at once.

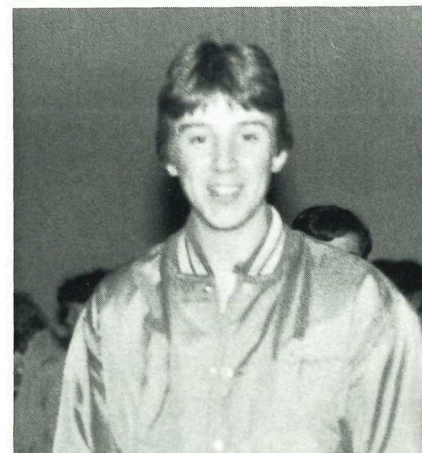

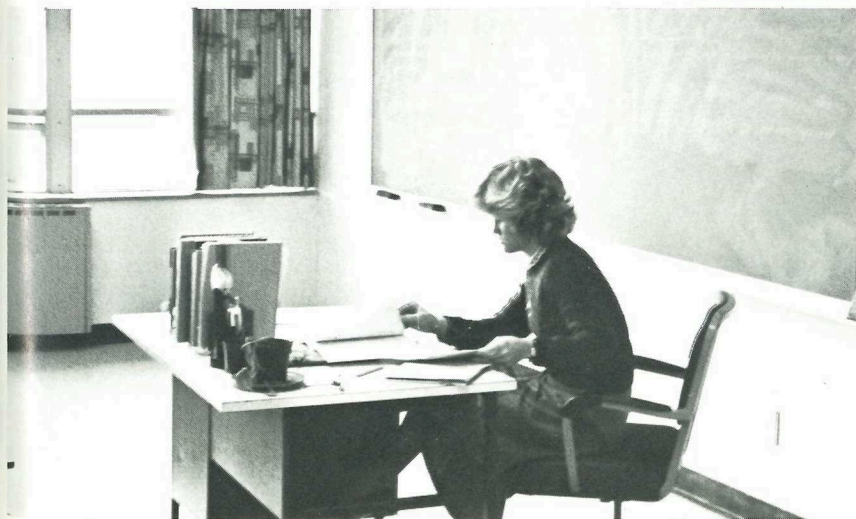

The year proved to be pretty much an up year for the younger sibling of the High School Stu-Co. They sponsored their annual Spirit Week which consists of: a Bar B-Q, special dress days like; backwards day, a pep-rally, and at the end of the week, a dance. They also showed their school spirit by participating in the Homecoming parade.

This years sponsors: Ms. Smith, and Mr. Mullen, both have made tentative plans to be the sponsors again next year, so maybe a new trend will continue.

"THE J.H. STU-CO is a very organized group that works well together," commented Ms. Smith, (LOWER LEFT). VERONICA BARTOLD STATED, "The Pep Rally was really very funny," (left). "I DID IT," exclaimed Roger Eads, "because I have a lot of spirit and wanted to show it," (ABOVE).

PAINTING IS THEIR THING

"I have really enjoyed working with this years art club, which for the most part is the same group of students as last year. While we have had alot of fun, we were able to get something accomplished. Painting the cartoons on the walls was our biggest accomplishment. I am glad to be their sponsor," Acknowledged Mr. Cheeseman.

"It goes without saying we had a good year. Art club wanted to do something besides making money and doing the spirit chain, so we painted the halls. We felt it would cheer everyone up, and that it did. I hate to be leaving next year, but I know they will continue to do more for the school," assured Beth Wilson-art club president.

Small But Trying

Each year the GAA, (Girls Athletic Association) holds tryouts for the organization. Girls must compete in track, gymnastics, and archery. For competing they receive points, if they become a member they can use these points and others to receive a jacket.

Throughout the basketball season, the girls sold candy at the girls games to raise money.

Years from now you will dust off this yearbook, and remember all the crazy things you did that year. Will you think about all of the hard work it took to put this yearbook together, probably not. The people that made this book are very special people, they make up the ECHO yearbook staff. They have to be at all of the dances, sports events, music events, and just about everything. They have to be creative, so that you will read the stories they write for the book.

The staff begins working hard at the beginning of the year by selling ads so that the book will be cheaper for YOU to buy. From then it is all hard work, they have the senior section, underclassmen, and others, they even work on the last day of school.

Variety can best describe the 1982-83 Wildcat Tales Newspaper Staff. Throughout the year the staff provided readers with a variety of things to read, at one time staff even offered a "Dear Blabby", column. The newspaper was their to inform you the reader. If one would search, each issue would contain a senior of the week and a teacher. It always kept up with the local news discussing such things as the dumping of dioxin, the new Wright City overpass, and many others. Most of all it kept you informed on the things happening in school, such as: Homecoming, Junior-Senior Prom, and the Back-to-School Dance.

A lot of credit should go to these expert reporters, who must attend all school functions, so that they can give you the whole story.

Varsity Volleyball

It was a special year for volleyball. Varsity started out with it's normal ups and downs. But then came districts, for the first time in Wright City High School history, volleyball won a district championship. In the final games of districts the girls defeated Wellsville, with a score of fifteen to twelve.

The eight girls on the squad then went on to play Stover, but were defeated with a score of six to fifteen.

A Great Season for Cross Country

"The 1982-1983 Cross Country was filled with many personal accomplishments for the athletes. Goals were set at the beginning of the year for each individual runner. All the goals were met and most of them went beyond the desired time set. All the runners had a good season," expressed Cross Country coach Mr. Brandes.

Senior Mark Wilding had the first runner spot on the team. He set a new school record at 5000 meters of 16:48. Mark holds the course record at Elsberry High School with the time of 17:11.

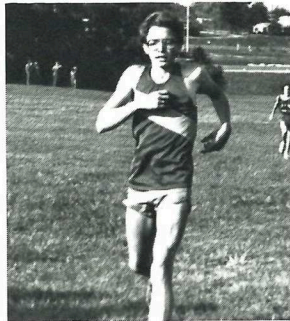

Tom Nailor another new member to the team took over the number two runner spot.

Liz Dougherty set a new high school record at the 5000 meters for the girls with a time of 22:32.

"I like to set my pace with the last runner and work my way up," commented Liz Dougherty.

The 1982-83 Baseball team took second place in the district tournament, a first for WCHS ball teams. The team consisted of fifteen players.

SEASON PAYED OFF

"I felt this year was a very successful year, we had a 14 and 10 record. The girls worked hard and it payed off. It was an enjoyable season. The girls were super," revealed Coach Wright.

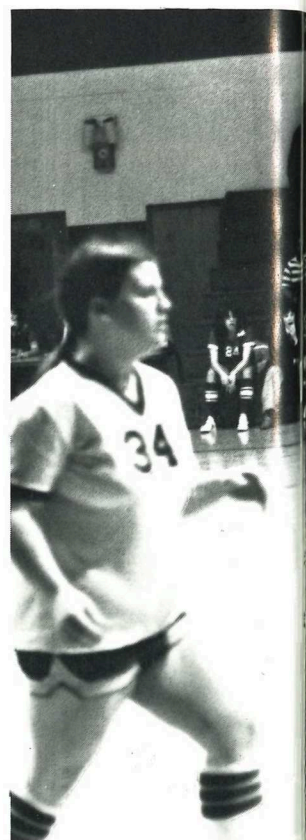

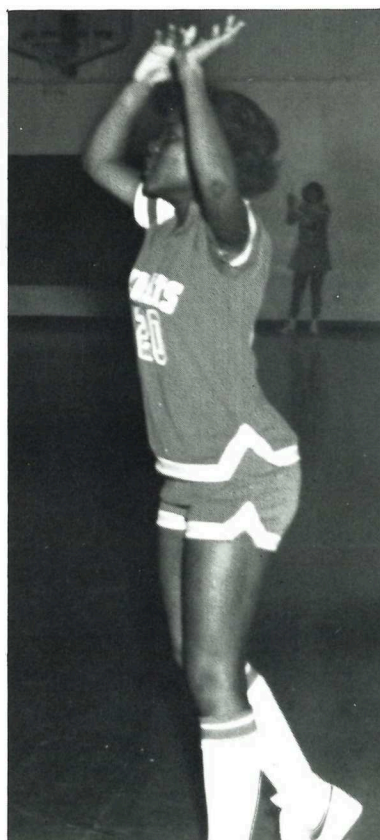

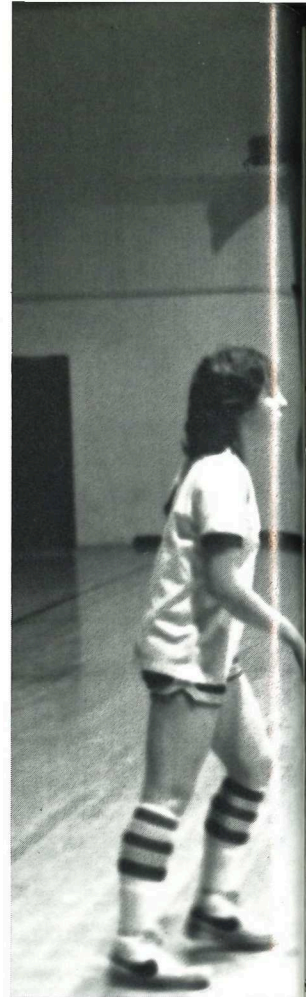

The starting players were Cheryl Hollenbeck, Debbie Butler, Lisa Butler, Gwen Sharp, and Andrea Piatt. Lisa Butler lead the team in total points made, with 450 during the season, followed by Debbie Butler. Gwen Sharp on the other hand worked much harder on rebounds, with 225 during the entire year. Of course the games

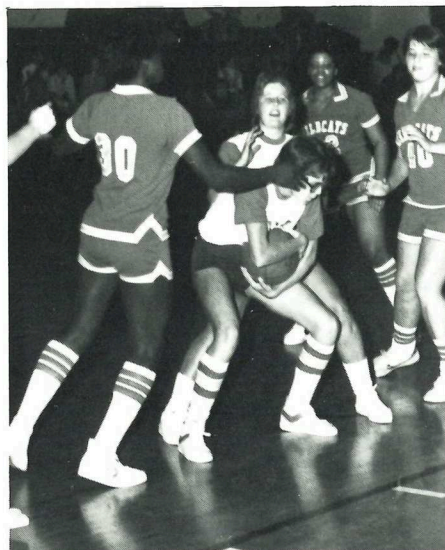

could not have been won without the help of those four extra special girls, Theresa Aemisegger, Sandy Koster, Barb Gray, and Kim Green. Coach Wright speculates, "We're going to lose some good seniors, but gain some strong juniors and sophomores."

"WHAT DID I just step in?" joked Andrea Piatt (RIGHT).

"I KNEW MY dribbling was successfully handled," confessed Lisa Butler (BOTTOM LEFT). "WILL IT GO in or won't it," speculated Debbie Butler (BOTTOM MIDDLE).

"I hope our players enjoyed the season. I feel the team played very consistent overall and continued the fine tradition of Wright City basketball," commented Coach Dave Gerdeman.

Tourny. They finished with second place in both the Troy and Hermann Tournaments. At Brentwood Regionals the Varsity team defeated Cardinal Ritter 83-68, and Priory 75-71. They played in the championship game, but unfortunately took a loss to Wellston 55-66.

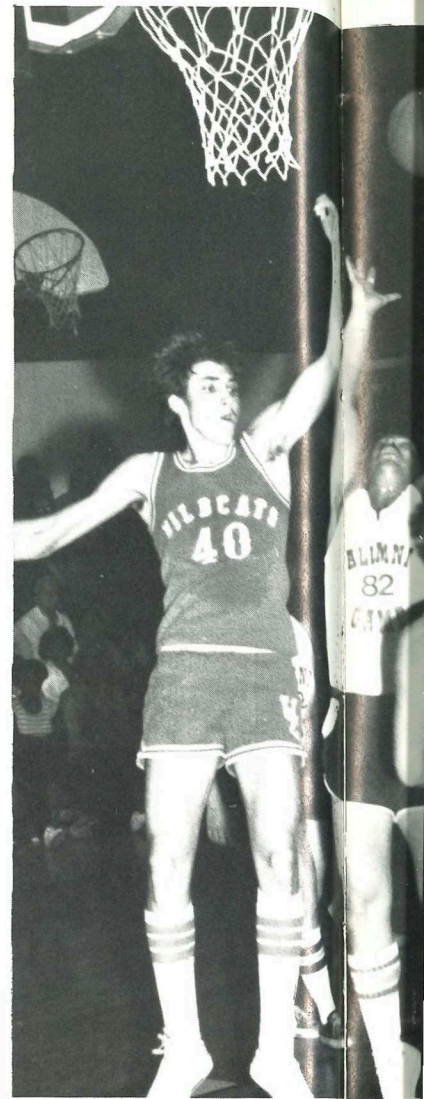

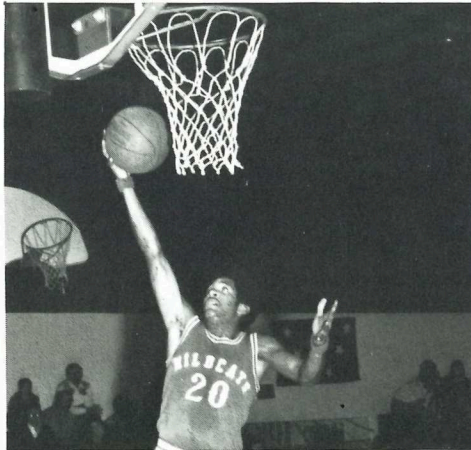

The season drew to a close, and Steve Baldwin, team captain, expressed his feelings, about the team.

A Building Season

"The 1982-1983 season for the Junior Varsity Lady Wildcats was a building season. Freshmen ball players comprised most of the J.V. team. They were a group of hard working athletes, whose development improved 100% from beginning to end," stated Coach Wright.

"Throughout the entire season I tried my best so I could keep a top team position. I practiced very hard, and I hope to a little each year. By my senior year I would like perfection," Kim Green revealed.

BEST TEAM

"It was a very rewarding season. We had a fine bunch of people, and I truly enjoyed working with them," Coach Reintz commented.

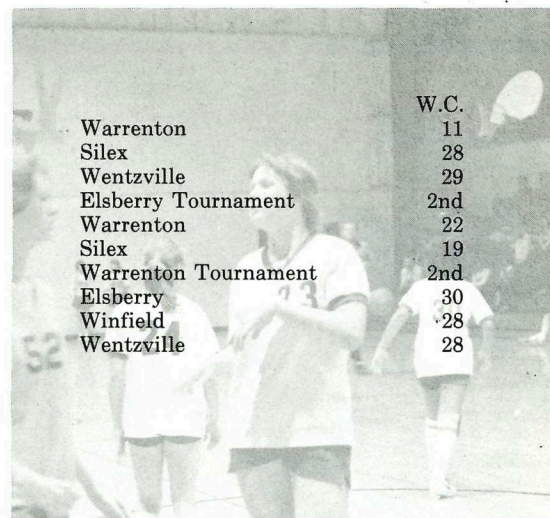

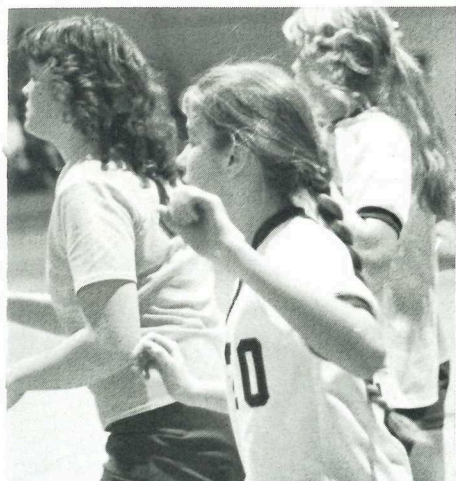

"This years team was by far the best junior high team W.C. has seen to this date. It was nice that the boys enjoyed such a fine season along with us. It was very common for both teams to go into an evening and sweep both games from another school," he said.

The girls had a very successful season, with 10 wins and 3 losses. The high scorer was Michelle Coleman with 66 points and runner-up, team captain, Dawn Brandt with 60 points.

Exceptional Athletes

The number of participants in a sport is very important. This years track team not only was comprised of numbers but also exceptional athletes. The group was young, eager, dedicated, and hard workers. Although the weather was not on the teams side, the girls never did quit.

"The interest in track and field is increasing every year. There were eleven girls on this years team that had never competed in track and field," commented Track coach, Miss Wright.

Experience is a very necessary part of track and field. Knowing how it feels to run the mile, learning what it takes to go over the hurdles, and knowing the techniques to put the shot. All of those that competed learned what it takes to be good in their events. Some even investigated new events.

Two sophomores qualified for the State Meet. This is a great honor to be one of the individuals whose skills allow them to be chosen. They were Gwen Sharp who qualified in the 400 meter dash and Liz Dougherty who qualified in the mile run. At the State meet both girls bettered their times. Liz Dougherty placed ninth in the mile and Gwen Sharp placed around tenth in the 400 meter dash.

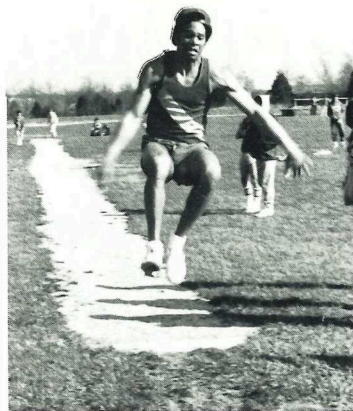

MEMBERS OF THE 1983 track included, (ROW ONE): Theresa Ameisegger, Tina Young, Liz Dougherty, Kim Abrolat, Bridget Wilson, (ROW TWO): Tonia Brakensiek, Donna Charlton, Amy McBride, Felicia Sommer, Gwen Sharp, Karlan Massey. (ABOVE).

Most Successful and Enjoyable Season

"This past season was a most successful and enjoyable track season at W.C.H.S." expressed track coach Mr. Leara.

Ten boys competed, but they were hard-working, and co-operative athletes. Kevin Czerniewski, Arnold Jones, Mark Wilding, and Steve Baldwin, all graduating seniors, won the bulk of the medals this year. Donal Sears, a sophomore, showed promise by winning a medal in the low hurdles.

The highlight of the season was the State Track Meet, May 14. Mark Wilding won the mile and placed fourth in the two-mile. Steven Baldwin won the triple jump, with a record jump and placed second in the long jump. The two athletes scored 33 points enabling Wright City to win the third place team trophy.

Around eight oclock, Friday, September twenty-fourth, students began assembling around the cafeteria. They were getting ready for the first dance of the school year, the Back-To-School Dance.

Students filed in a large number of them were new seventh and eighth graders. They all seemed excited, and ready for their first dance.

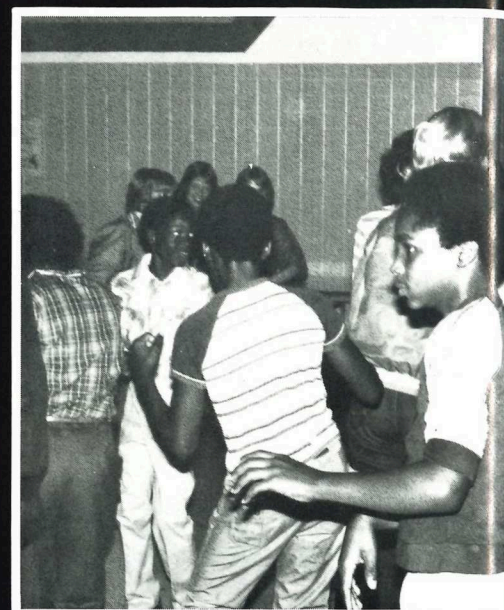

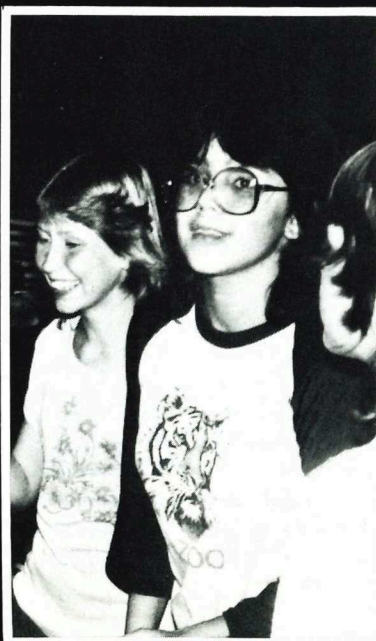

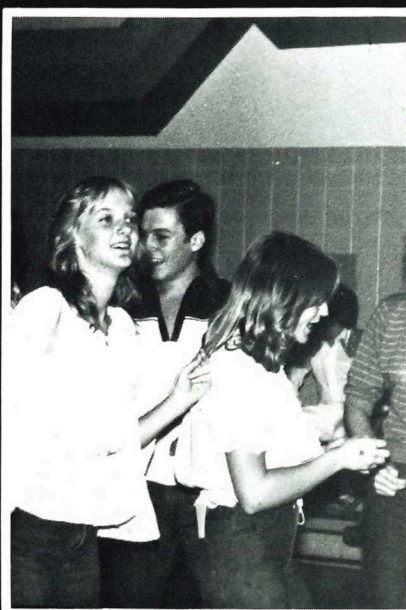

The dance has become traditional at Wright City High. It is annually sponsored by the Student Council. It is organized to help get the students together to break the ice of the new year.

This years entertainment was provided by a local disc jockey, by the name of David Bradshaw. He provided enough variety of music, so that all of the latest dance steps could be learned.

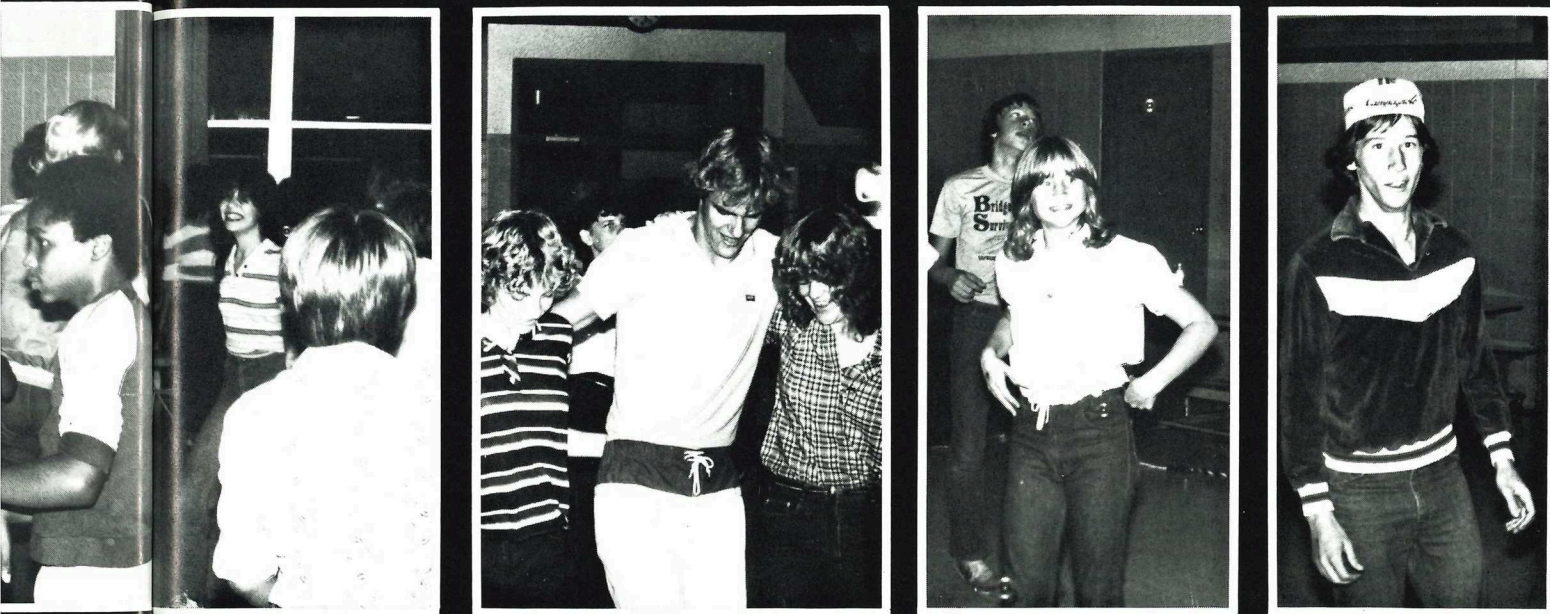

TAMALA JOHNSON ENJOYS herself at the school dance, (TOP). LORIE WELGE AND Suzanne Sears talk during a dance, (MIDDLE).

MARCIA RODRIGUEZ ENJOYS the dance with a few of her friends, (RIGHT).

THIS IS WHAT a dance begins to look like after everyone is all boogied out, (FAR RIGHT).

THAT'S ENTERTAINMENT

IT LOOKS LIKE everyone is having a good time, (MIDDLE). TAMMY PAUK, TRAE Ruge, and Tonia Brakensiek do a few fancy steps in the middle of the dance floor, (ABOVE LEFT). SUZANNE SEARS SMILES for a quick picture, (ABOVE). DONAL SEARS GETS caught off guard, (ABOVE RIGHT). IT'S FRIDAY NIGHT, the students are out for the weekend, see what it does to them, (LEFT).

"I really liked the dance it was a lot of fun!" commented Margret Vehige.

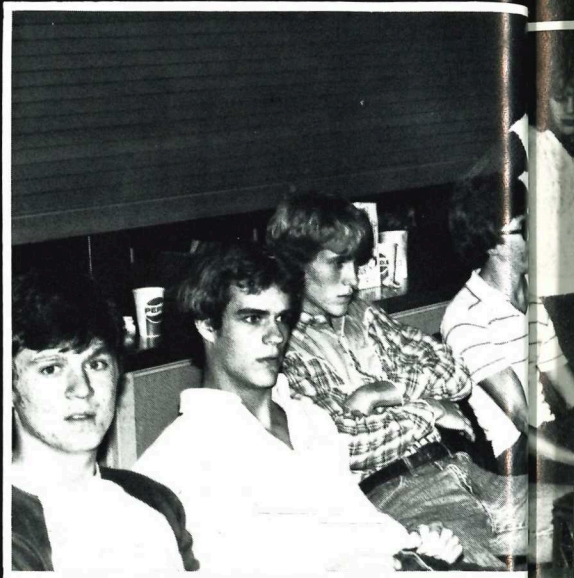

A little rock-and-roll, stroblights, and straw is what made the 1982-1983 Barnwarming Dance a success. The dance was held on November 5, 1982 and it was sponsored by the Future Farmers of America (FFA).

Julie Bruning, senior, was crowned the 1982-1983 Barnwarming Queen. The other queen candidates included: Terri Figura, Senior; Melissa Mozee, Junior; Kim Green, Sophomore; and Margret Vehige, Freshman.

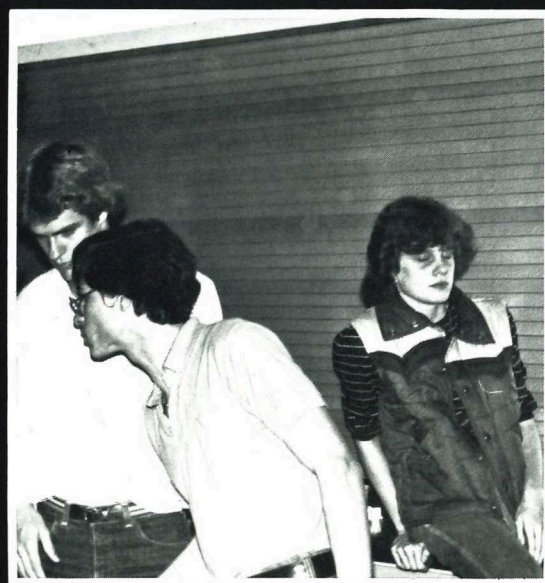

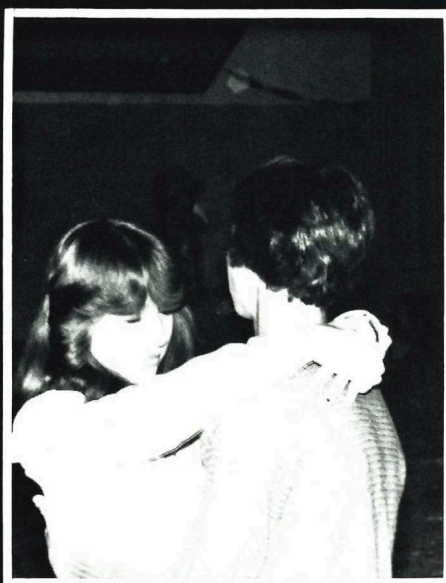

The music was a mixture of Anne Murray, Billie Squire, AC-DC, and Styx, plus much more. The music was the courtesy of Keith Newton's stereo system.

"I really enjoyed the dance and the music was good," remarked Kevin Rodriguez.

Do you remember homecoming week? Think back to November twenty-second, the first day of homecoming week. It started out as an ordinary day, except everyone was dressed a little differently, it was clash day. Now, November twenty-third, past and future day. Students and teachers were dressed in outfits from the fifties to farout space age outfits. November twenty-fourth, blue and gold day, but the twenty-fourth went on from there. Student Council wanted a parade and not a mini parade. Homecoming 1983 had a parade that would knock your socks off. Classes and clubs all involved themselves. Marching band marched in their new uniforms for the first time. The flag girls joined in too, and to lead the parade was Mr. Gerdeman as Grand Marshall.

"GUESS WHICH HAND it's in," joked Jim Goldsmith (TOP). "SPIRIT, LETS HEAR it," shouted Tina Hunt (MIDDLE RIGHT). "LOOK OUT BROADWAY here we come," exclaimed Tammy Pauk (ABOVE RIGHT). "I JUST WANTED to get the parade over with, it was just a little chilly," bellowed Tom Nailor (BOTTOM RIGHT). JEFF NORTH AND Mindy Eads ride the Freshman float in the homecoming parade (BOTTOM LEFT).

"WHAT WILDCATS CELEBRATE",

"WE'RE HAV'N A fun now," assured Mark Wilding (UPPER LEFT).
 "SELLING TICKETS AT another dance, Blah . . ." mumbled Becky Beauchamp (ABOVE).
 LISA STEVENS GETS down to the music at the homecoming dance (ABOVE MIDDLE).
 MARCHING BAND MARCHES in homecoming parade (LEFT).

There was a total of nine floats. The juniors took first in the float contest, followed by sophomores, and then seniors. The seniors took a win in the spirit links to show their spirit during homecoming week.

Now think back to the night of November twenty-sixth. That was the night the girls varsity team stomped the alumni by a score of 39 to 31, and the varsity boys did an instant replay and beat the alumni by a score of 77 to 66.

But Wright City couldn't have had a homecoming without a queen. Junior, Donna Charleton filled that spot. Her escort was Wayne Klenke, and she was crowned by Kevin Kiner. The nights not over yet though, because when the game was over there was an annual homecoming dance. What better way could Student Council end a week than with a Homecoming dance.

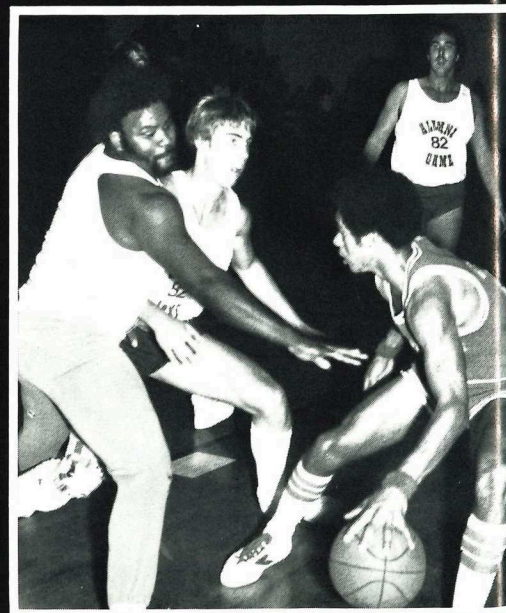

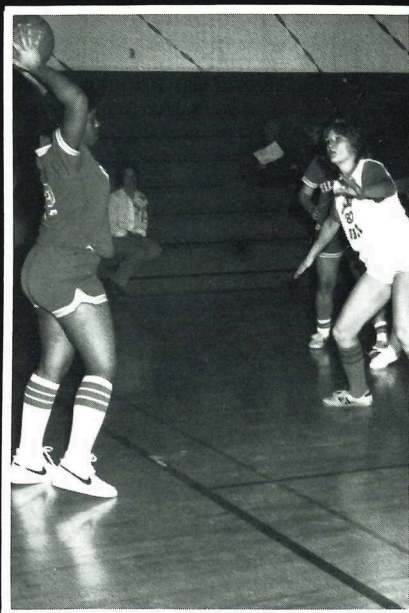

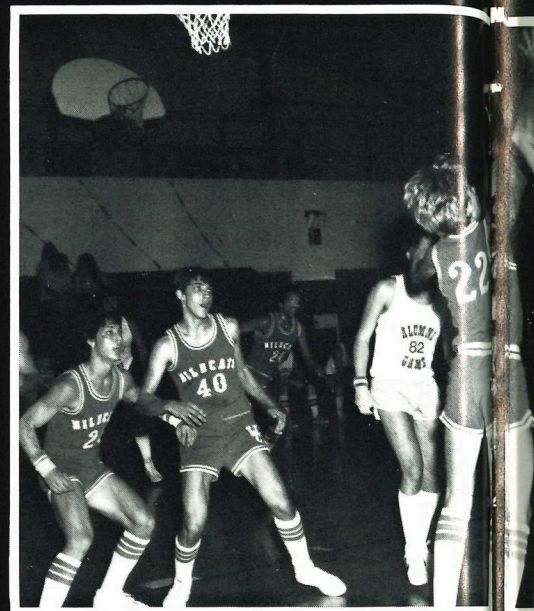

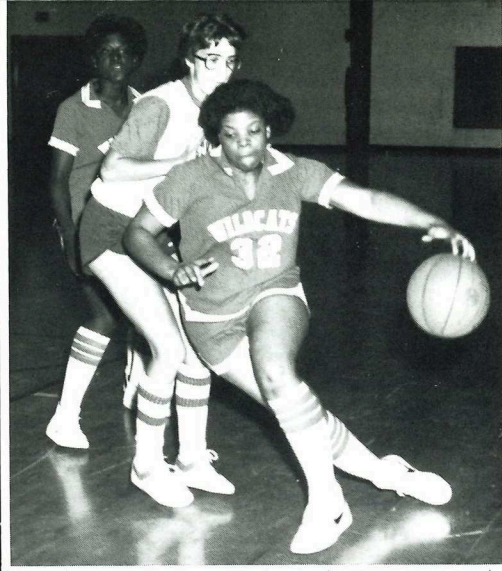

"I WANTED TO get past Debbie to make my shot," assured Lisa Butler (TOP).

"I WAS SO happy I just couldn't believe I won," confessed Donna Charleton (MIDDLE LEFT).

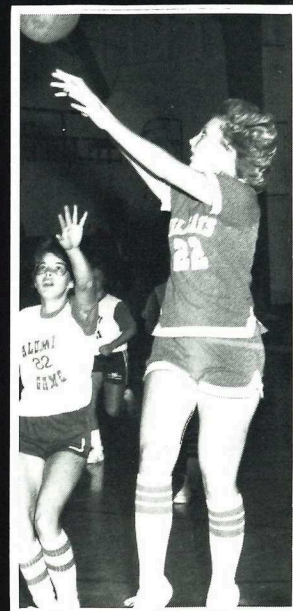

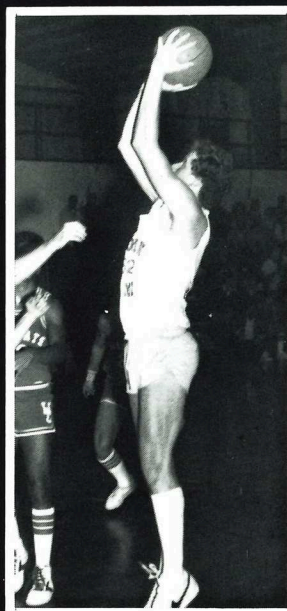

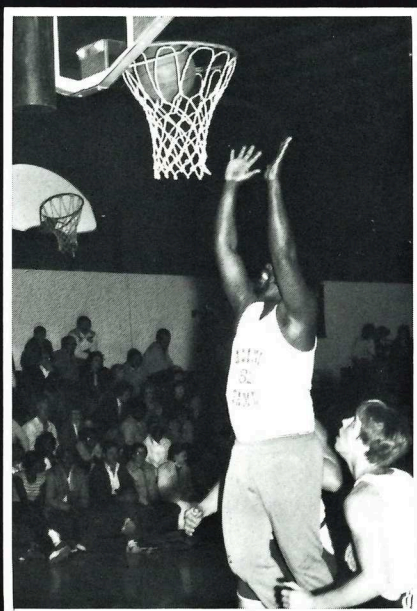

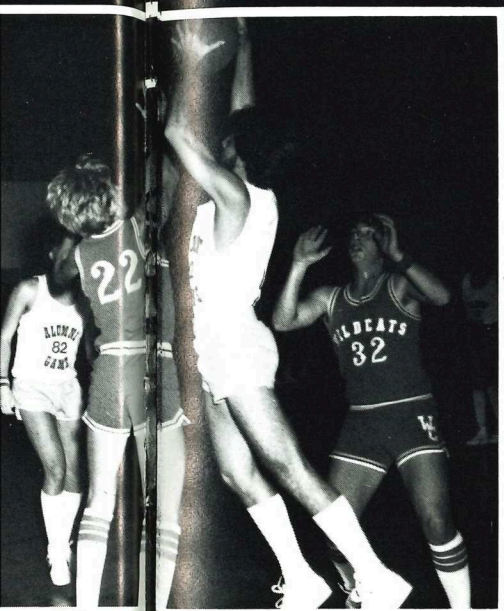

"I WAS LOOKING for an opening," remarked Lisa Butler (BOTTOM LEFT).

The annual Sweetheart dance was held February 11, 1983, from nine 'til twelve. It was sponsored by the sophomore class.

The music was provided by Quadrasound, which played a variety of different music.

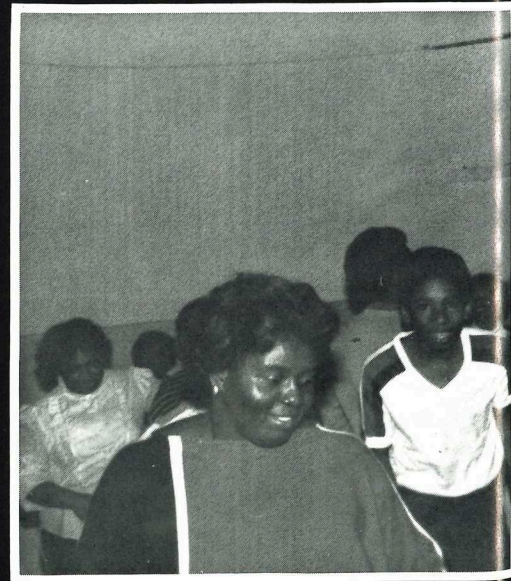

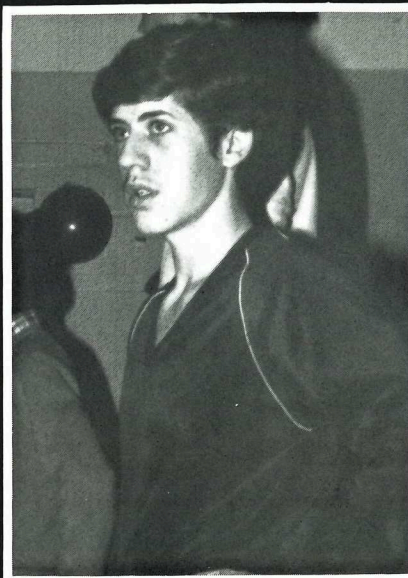

The candidates who were running for queen were: Seniors; Debra Butler and escort Billy Beauchamp, Juniors; Masumi Tamura and escort Danny Wilding, Sophomores; Lorie Heilger and escort Andy Ordelheide, Freshmen; Mindy Eads and escort Jeff North.

The magic moment of the night was the retiring queen Donna Charlton crowning the new 1983 Sweetheart Queen, Masumi Tamura.

"When I got to become queen, I was really surprised. I didn't think I would be, so I just couldn't believe that for a while. I'm so glad that they gave me a new experience," commented the 1983 Sweetheart Queen Masumi Tamura.

"THERE ISN'T ANYONE I enjoy a dance with better than the one I love," commented Lorie Heilger, (TOP RIGHT).

"THE DJ WAS good and I really enjoyed the dance," commented Greg Guthrie, (UPPER RIGHT).

A GOOD TIME

"I LIKED THE dance a lot, I had a really good time and I enjoyed myself," commented Sherry Eskew, (FAR LEFT).

"THE DANCE WAS pretty nice it gave me a chance to kick back and enjoy myself," commented Pat Hill, (MIDDLE LEFT).

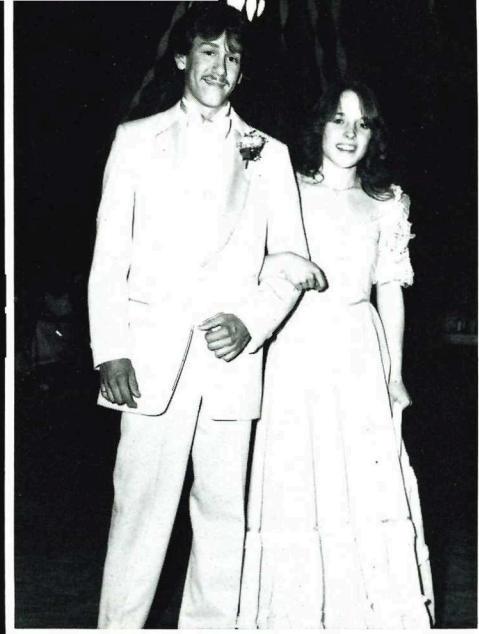

"I WAS SELLING tickets at the dance, I was ask to do it, and I needed the points for my class," commented Donnie Meyers, (LEFT).

"I WAS A chaperone for the dance, and I thought it was pretty good, it drew a nice crowd, commented Ms. Brandes, (UPPER LEFT).

Ladies and Gentlemen I'm here to present to you the greatest show on earth, and that it was. This was the theme to the 1982-83 Junior, Senior Prom.

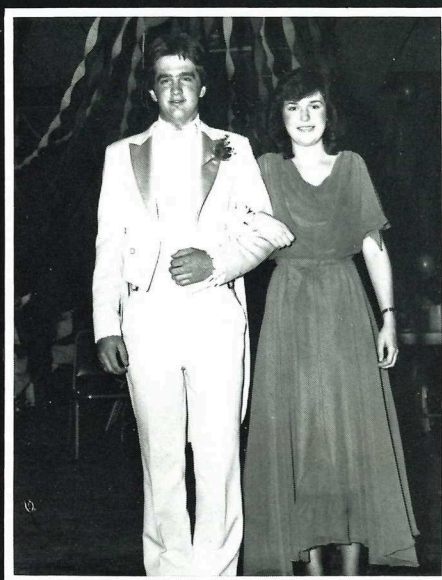

For months, the Juniors had been planning for this occasion. Making decorations, sending out invitations, getting food prepared. And as the time grew to a close the decorations came together also.

One of the many things the Juniors had to do was to pick a band for Prom. Progress was chosen out of several bands picked through, and from the peoples reaction it seemed to be the right choice.

Of course every prom has a king and queen and this years king and queen was Keith Newton and Terri Figura. The Candidates were: Julie Bruning and Jeff Wyatt; Jim Goldsmith and Beth Wilson; Brian Bote and Angie Carter; Junior attendants were Laura Phiropoulos, and Gerard Washington, Melissa Mozee and Gregg Hill.

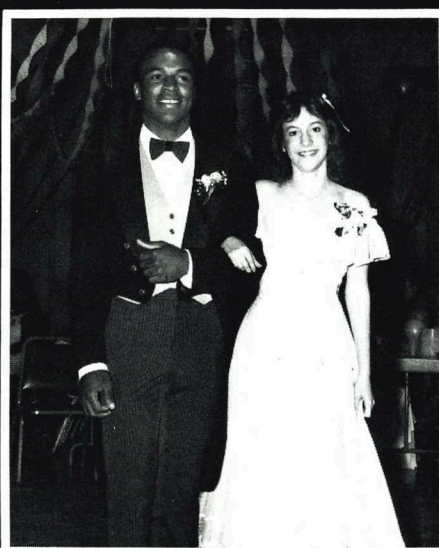

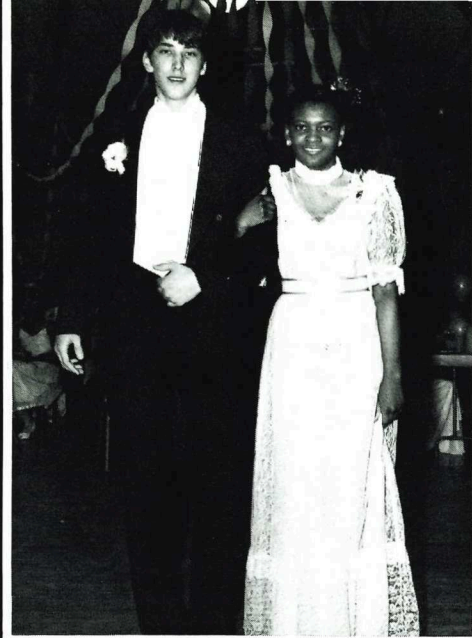

THE GREATEST

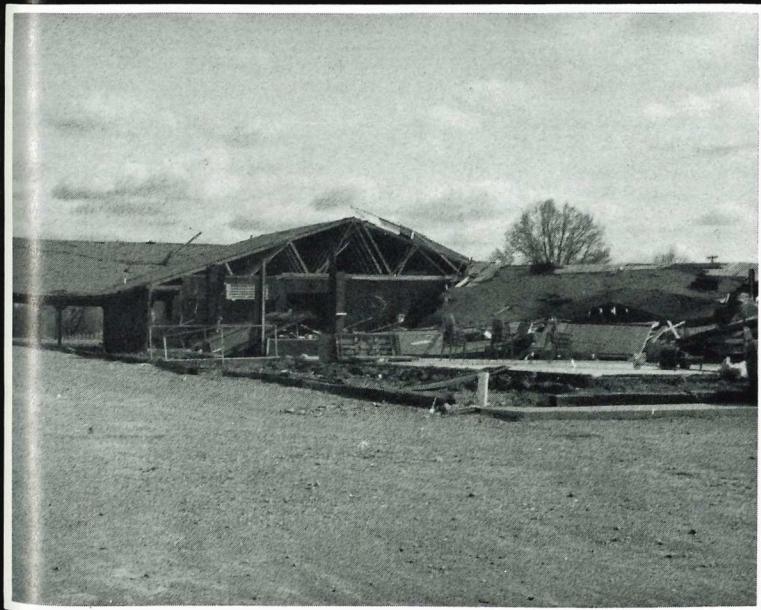

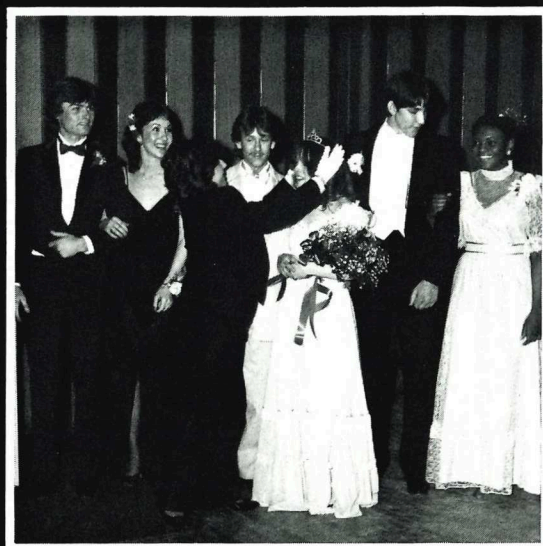

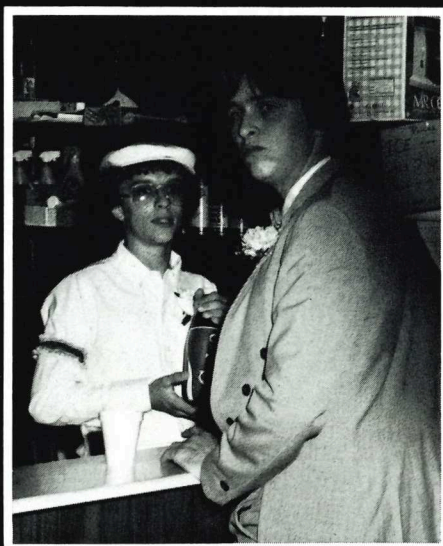

"I WAS JUST happy we we were walking up there," expressed Terri Figura (OPPOSITE PAGE, TOP). JIM GOLDSMITH ESCORTS Lisa Tribley (alumni queen) to the crowning, (OPPOSITE PAGE, FAR LEFT). JEFF WYATT AND Julie Bruning were candidates for king and queen, (ABOVE LEFT). "LOOK MOM NO cavities," joked Angie Carter (ABOVE). ENTERTAINMENT FOR THE evening was provided by Progress a band from St. Louis, (CENTER). THE PROM COURT for 1983 was from left: Gerard Washington, Laura Phiroopoulos, juniors; Jeff Wyatt, Julie Bruning, Jim Goldsmith, Terri Figura, (queen), Keith Newton, (king), Brian Bote, Angie Carter, seniors; Gregg Hill, Melissa Mozee, juniors; and Lisa Tribley, retiring queen. Not pictured Beth Wilson, senior candidate, (OPPOSITE PAGE, BOTTOM). PARTY HARDY!!! (LEFT).

But, we must not forget, that without the help of several persons, the Prom of 1983 could not have been possible:

Billie Arnett, Randy Scipioni, sponsors; Don Jones, principal; Mrs. Sharon Beauchamp, Mrs. Sandy Phiropoulos, Miss Karen Arnett, Denise Smith, and the Junior Class Prom Committee, which included: Dan Shaffer, Prom chairman; Theresa Aemisegger, Chris Blanchard, Becky Beauchamp, Donna Charlton, Jim Fliehman, Karlan Massey, Cheryl Marty, Linda Nadler, Kevin Rodriguez, Masumi Tamura, Lisa Sydow, Mike Wright, Rick Watson.

On May 19, the annual eighth grade promotion ceremony was held. The theme for the evening was "Just Believe in Yourself". The Junior High Chorus sang the theme song, accompanied by Lora Jones.

The American Legion Citizenship Awards were presented to Julie Vance and Loren Stevens. The eighth graders also had a special recognition of their own. They presented a single red rose to each of the following for their time and efforts they put forth to make their promotion a reality. They were: Amy Smith, sponsor; June Terell, sponsor; Carol Hollander, Jr. High Counselor; Cheryl Hollenbeck, Singer; and Penny Seigel, entertainment supervisor. The special presentation was the rose that was given to Kelly McEwen. Promotion marked Kelly's last year at WCHS. Amy Smith, sponsor, was the guest speaker for the evening. After her speech, the class Valedictorian, Jennifer Godt, and Salutatorian, Lori Welge, presented the promotion certificates.

AND NOW THEY'RE BACK

An education is possible through the faculty members at WCHS. They are here to teach you, and when classes dismiss for the students, they seldom dismiss for the faculty members. They work overtime everynight grading papers, preparing tests, etc., etc.!! And you think you've got it hard. They went through high school and now they have returned to all of the headaches, crowded halls, laughter, and joy.

They try to prepare you for the future, but it is up to you to learn.

What Does The Word Mean

Custodian, what does that word mean to you? The dictionary describes a custodian as a person who has the care or custody of something.

Our custodians do more than just clean the classrooms and the bathroom, they fix our desks and keep the school grounds clean.

Most of the time you don't see the custodians cleaning the hall, but if you ever happen to stay after school, just look in the classrooms, they're there.

JIM KERLEY BEING caught off guard (LEFT). JOE STEVENSON STANDING at a nice angle for the camera.

Working Hard

How many women do you know that can prepare about 350 hot lunches a day and more?

The cooks at Wright City High School do. Being a cook is not an easy job, they are always busy. If they are not cooking they are deciding what the following week lunch menu will be.

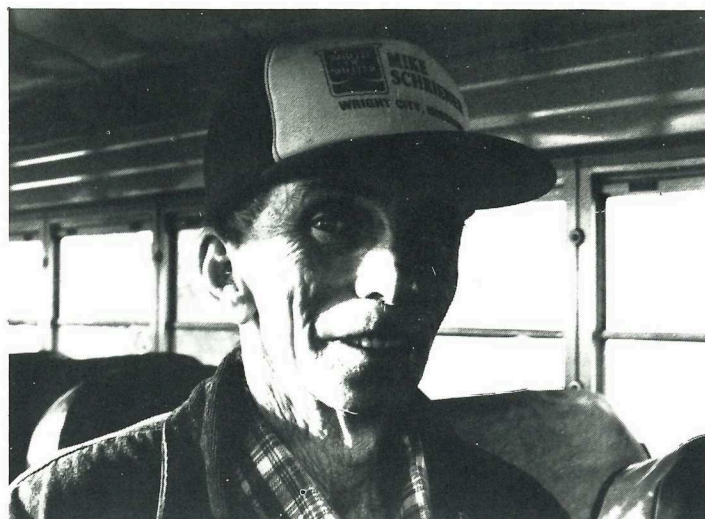

MRS. MARTIN, MRS. Eversmeyer, and Mrs. Zohone make up the cooking staff. (LEFT) MRS. MARTIN HELPING prepare the school lunches (above).

A Big Responsibility

Being a bus driver is a great responsibility. They have about 50 or more students that they have to make sure gets to school safely and return home safely. They have to be very alert and keep the students under control.

So often we over-look bus drivers. We do not appreciate them and what all they go through.

We of the yearbook staff would just like to take the time to say "Thank you bus drivers for a job well done."

BUS DRIVERS INCLUDE: Mr. Haynes, Mrs. Trimborn, Mrs. Stewart, Mrs. Koster, Mr. Charlton, Mr. Requat, Mr. Paul, Mrs. Brockmier, and Mr. Hoeft (Left) Raymond Requat poses for the camera (Above).

Busy Busy Busy

RING! RING! RING! Do you think you could sit behind a desk and listen to ringing all day long?

Well Mrs. Billie Arnette and Mrs. Lila Brandes do, plus they also have to listen to all of the wildest excuses that the students bring in for the reason they were late.

The secretaries do more than answer phones and write out tardy slips. They keep the communication lines open between the parents and the students at school.

"THAT FACE SAYS it all!" commented Billie Arnette (Above) "OKAY IF YOU have to take my picture." remarked Lila Brandes (Left)

Seventh Grade Loves

Jr. High

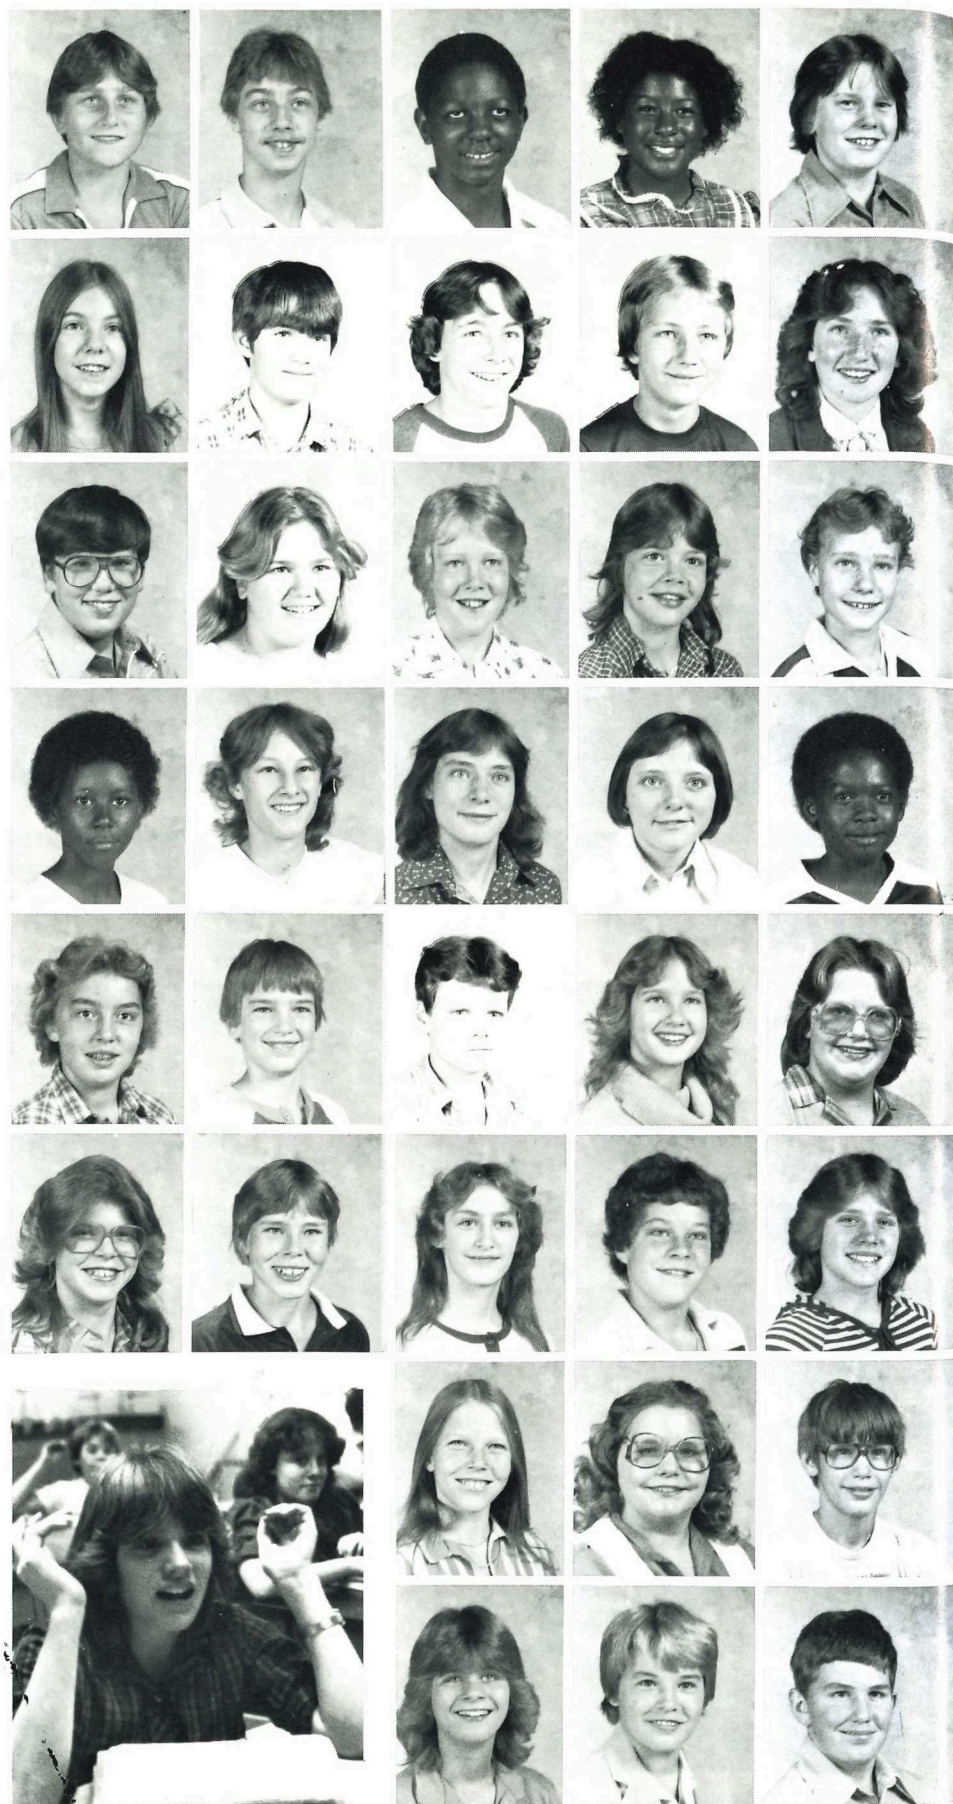

"Seventh Grade is a lot better than Elementary school," commented Henry Nailor. "You move from one class to another, seven times a day, this way you don't get as bored.

Steve Sutter remarked, "The lunches are okay, and being around all these girls is great."

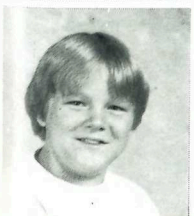

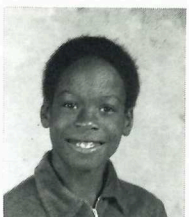

The class of "88" entered the Jr.Sr. High with a lot of uneasiness as they walked through the halls with older students. They soon began to adjust to the upperclassmen and were soon participating in Jr. High Student Council, dances, and sports.

"WE WERE SITTING down waiting for our turn to play hockey. I love playing hockey," commented Marcia Rodriguez.

"I COULDN'T FIGURE out why I got an F." announced Michelle Ostman.

"It's a lot harder than I expected it to be. The teachers really cracked down on us this year," cautioned Jimmy Beauchamp.

Each year the eighth grade class has a promotion exercise. In the 1982-83 school year the class of 1987 made no exceptions. Each of the students marched forward to receive their promotion certificate.

In addition to the promotion exercise the eighth grade class took part in making a float for the homecoming parade.

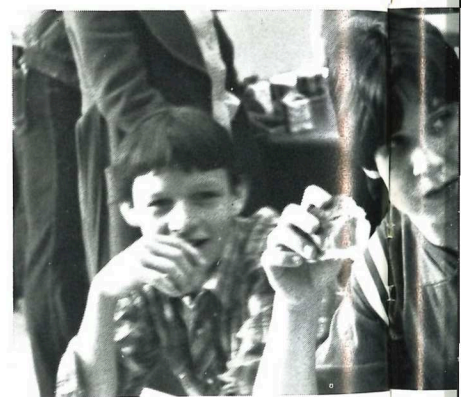

"To finish the year off right our class may be going to Jefferson City to see the capital," divulged Jimmy Beauchamp.

BOTTOM OF THE LADDER

"BEING A FRESHMAN is like being at the bottom of the ladder and having to work your way back up it again," replied Jeff North.

Becoming a Freshman means more than just starting ninth grade, it means that you are eligible to attend high school dances without having to be cleared; being able to participate in high school sports and join the various clubs.

"There are many more activities for you to participate in and these activities are, eligible to attend high school dances without having to be cleared; being able to participate in high school sports and join the clubs.

Being a Sophomore is different, they're in the middle of everything. No longer Freshman and starting to experience the challenges of life. Driving is one of the many high points Sophomores will experience.

"I feel that the Sophomores this year have not yet shown their talent, but in time the sophomores will prevail," Remarked John Nadler.

One Step Away

"Every class has a major project to accomplish during the year, the Senior class must raise money for graduation and their class trip. The sophomores must prepare the Sweetheart dance. The junior class is no exception, they must raise money, get a band, and decorate, all for the Junior-Senior Prom.

Besides preparing Prom and getting involved in clubs and sports the junior class must prepare for their Senior year. Many students have already purchased their Senior ring and are awaiting their last year.

"I think we have a good class and with our class spirit Prom will go great," commented Gary Dunakey.

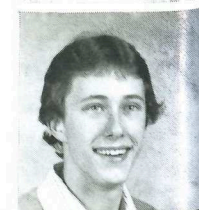

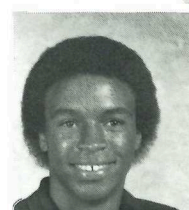

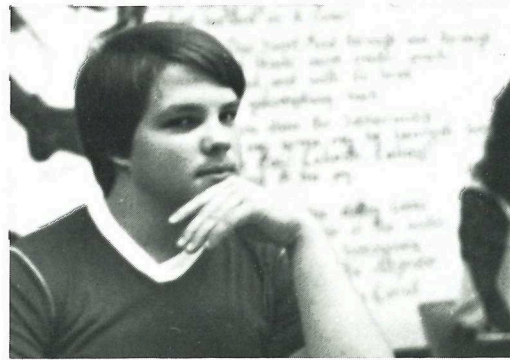

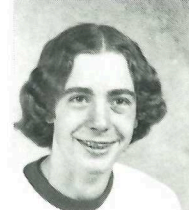

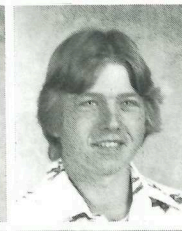

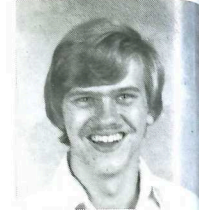

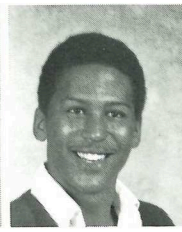

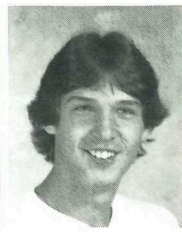

"I WAS REALLY scared, my knees were knocking, but I was anxious," commented Tammy Brittain, (TOP LEFT).

"I WAS TRYING to think of something to say for our short story class discussion," commented Danny Wilding, (RIGHT).

"I WAS TRYING to get finished early for once," commented Gerard Washington, (TOP RIGHT).

"I HAD JUST lost a debate with Ms. Twiehaus in a class discussion, commented Steve Dotson, (MIDDLE).

BY GEORGE,

I THINK THEY'VE GOT IT!

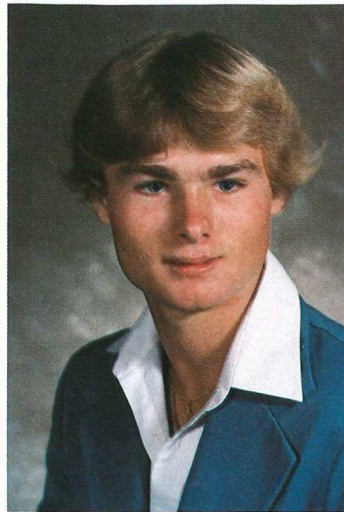

It comes around every year, the feeling of anxiety. This emotion, known as Senioritis, is common in schools everywhere. The last year of school, a time they will never forget or experience again. They will never encounter the things like cap and gown measurements, senior pictures, visiting college campuses, and their Senior Prom. They wonder about their future and can't help, but want the year to go faster.

"I believe Senioritis is wanting the year to end before it's time. The trouble with being a Senior is that half of me wants to be out on my own, and the other half is scared to death to leave the security that I get from going to school. I am looking forward to the day I can look back on this year, and think of how much fun I've had. If anyone can look back on this year, and think of how much fun I've had. If anyone can look back on this class the class of 1983, and be proud, it would be me," expressed Brian Bote.

"I think Senioritis is being ready to look forward to new and different challenges, and hoping to succeed in accomplishing goals of life. I know I will always remember the good times that I have had with my friends during the years of high school," commented Barb Requat.

A DAY IN THE LIFE OF...

DAWN

I'm only at school for three hours everyday, for fifth through seventh hours, so I'm not to involved, but my favorite class is chorus.

Since I don't come to school in the morning I get to sleep late. After I get up I usually take a shower, lounge around then get ready for school, and usually, before I get to school I stop at the drugstore and get a soda.

In my spare time I cut hair, watch television, and ride bikes.

"DON'T TAKE A picture of me, you're going to embarrass me," joked Dawn Meyers. (ABOVE)

JIM

I really enjoy hunting and fishing, but since I work at the Wright City Standard Station almost everynight, I don't get very much spare time.

I really enjoy music, and four of my favorite bands are: REO Speedwagon, Shooting Star, Survivor, and Van Halen.

My schedule is pretty full, but my two favorite classes are: Creative Writing, and Business Law.

SMILE PRETTY, JIM Park, you made it in the book, (ABOVE).

SUSAN

I'm a pretty busy person, I play volleyball, play the piano, and am involved in many of the clubs such as drama club, and pep club.

After school is probably one of my busiest times, on Tuesday's and Thursday's I have aerobics, and I go to most of the basketball games, since I'm in pep band, and pep club.

Publications is one of my favorite classes, it keeps me pretty busy, but in my spare time I like to see my boyfriend, cook, and go to the movies.

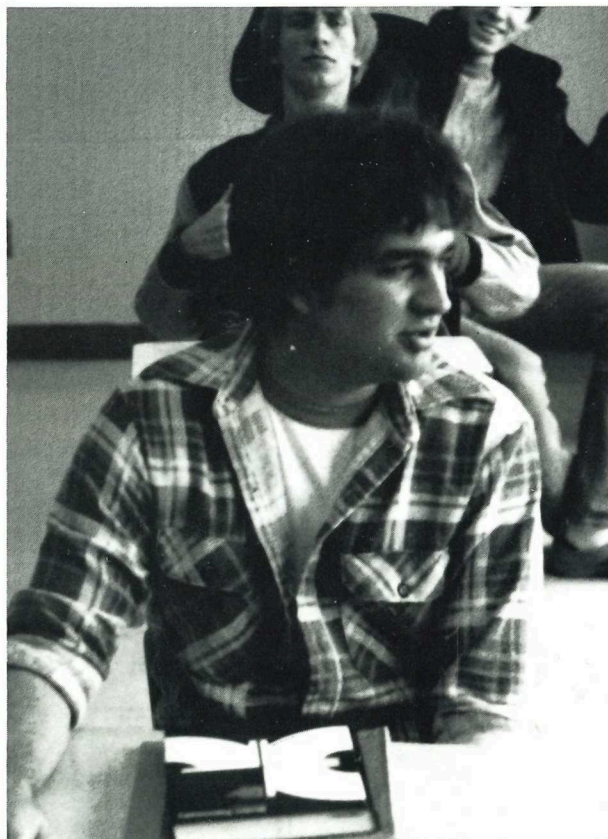

"TIM? TIM? TIM!" thought Susan Wright, as she pretended to study, (ABOVE).

JEFF

I usually get up at seven, so that I can get to school early to talk to friends. Even after school, I sometimes go to a friends house.

I work at IGA, 'til seven o'clock, so I don't usually get to attend the J.V. games, but I usually make it to the Varsity games to help cheer my friends along.

In what spare time I do have I like to hunt, fish, play baseball, and go to the movies.

"I WAS TRYING to figure out what in the heck was going on," said Jeff Wyatt, (ABOVE).

A BIG STEP

Graduating from high school is a big and important step that the Seniors have prepared to take. Some have decided to continue their education by going on to college. Steve Baldwin and Chris Millikan are two Seniors that have chosen to further their education by going to college.

"After completing my high school education I plan to attend Maryville college pursuing a career in the field of law. The field of law interests me with the way the law is executed and the complexity of the law system. While also attending college, of course I will continue to play basketball," remarked Steve Baldwin "Luther Sr."

Chris Millikan, "Miller", "Luther Jr." commented, "After finally graduating from high school my future lies basically in the field of business. I will further my education at the University of Missouri at St. Louis (UMSL). I will attempt to obtain a Bachelor's degree in Business Administration and Management. Although I have chosen the degree, my major and concentrated area is still undetermined."

There are some Seniors who have planned to do something different after high school. Dean Unnerstall is one of the Seniors who is planning to go into the job force.

"I am planning after graduation to go into auto body and hopefully I will be able to own my own auto body shop," expressed Senior Dean Unnerstall.

You have accomplished your goal of graduating from high school. Now prepare yourself for the encounters life has instore for you. Good Luck!!

ONE FOND MEMORY

You've finally made it. After twelve long, hard years you are finally a Senior. Are you ready? Everybody anticipates their Senior year, but when they reach it, it means responsibility, and excepting the fact that it will soon be over.

You will soon be out on your own, facing the world as an adult, for the first time in your life. You will enter the work force, enroll in a college, marry, or join the service.

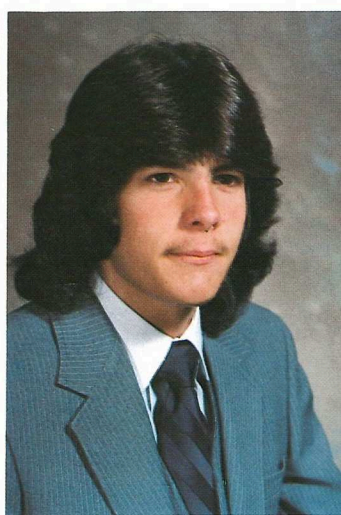

You will no longer have a Senior skip day, take a class, trip, or play a high school sport. But, you will make it. You will always have your memories, for no one can take them away. You will remember your first day in Kindergarten, your eighth grade graduation, and all of the other fun, and laughter you shared in high school.

One fond memory that Angie Carter will always remember is her eighth grade trip. "It was so much fun, we went to the Best of Two Worlds. Right before we left the whole class played tackle football, 'Girls vs. Boy,' it was great. I will also remember eighth grade graduation. All of us girls were a foot taller than the guys. That day was really important, we had accomplished Junior High. The years went by, and now it's our last year, and we've almost conquered it. The class of 1983, as a whole, is the best memory I have, I really enjoy being a part of it."

You've made it through thick and thin, and you deserve the best, you are a Senior! Enjoy It!!!!!!

A GLANCE AT THE YEAR 1983

A YEAR IN LIFE

Throughout the years at WCHS a student experiences many things. Looking back upon the past year one might remember . . .

The opening of the Wright City overpass, the Crossingfest street dance, the moving of the dioxin, from Times Beach to the BHS landfill, and of course the tornado that touched down upon our city taking a church, a few houses, apartment buildings, and the Lion's Club building.

Headliners in nationwide newspapers were Secretary of State Alexander Haig resigning from office, the creation of E.T. the extra-terrestrial, the organization of the newest football league, the USFL, and the 1982 World Series Champions, our own St. Louis Cardinals.

Among Worldwide topics were the Falkland Island wars, the birth of Prince William Arthur, to the Royal family, and the death of Grace Kelly.

In the years to come the year-book staff hopes you will look at this book and remember all of those crazy things you did with your friends. We hope you will be proud of this year when you recall all of our Wildcat victories in the sports of Volleyball, Basketball, Baseball, and Track. It was a year to remember. The staff hopes this book will make you laugh, cry, smile, and just plain remember!

Sincerely,
Cheryl Marty
