A useless **life is** an early death. - The doors will  
open and close **each day** decide the lives  
we live. - One day your life will flash before  
**your** eyes. **Make** sure **it's** worth watching.

**You** must do the things  
you think you **cannot** do. - If you want  
others to be happy, practice compassion. If you  
want to **be** happy, practice compassion. Only when  
we are no longer **afraid** do we begin to live.

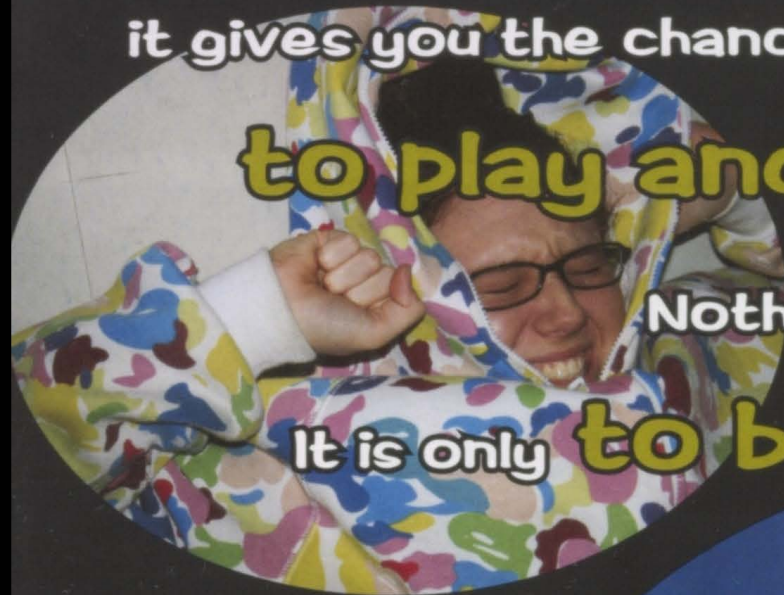

Life is a succession of moments. To **live** each one is to succeed. - Be glad of life because

it gives you the chance **to love**, to work, **to play and** to look up at the stars.

Nothing in life is to be feared.

It is only **to be understood.**

## Never losing hope...

...Is one thing that the Wildcats didn't do on homecoming night. Even though the game didn't go as planned, the team played to thier potential. The Wildcats had a rough first half but in the end pulled it together. Unfortunatly, it was too late as the final score turned out to be 25-14.

# Wanna look **hot** at prom? learn to... **F**ind a dress **perfect** for you!

For the **Petite** girl,

A fitted, strappy dress is *always* flattering, and it accentuates Cathryn's cute little figure.

For the **Modest** girl,

A fun polka dot print with a shawl, Becky knew how to stay warm while being her modest, yet chic self.

For the **Classy** girl,

To be Classy-cute like Casey, try a tiered satin dress. Bows and lace add spice to a sweet girl.

For the **Party** girl,

Jessica's glamorized gown with glittler is great for girls who love a good time and look beautiful dancing all night.

From expirience, the feminine teachers show how to dress for success at prom and in everyday life. Sweet and simple always shows class at work with natural colors. Subtle makeup and sleek do's are a perfect touch in a professional world. This is good for anyone who plans to pursue a career in educaton.

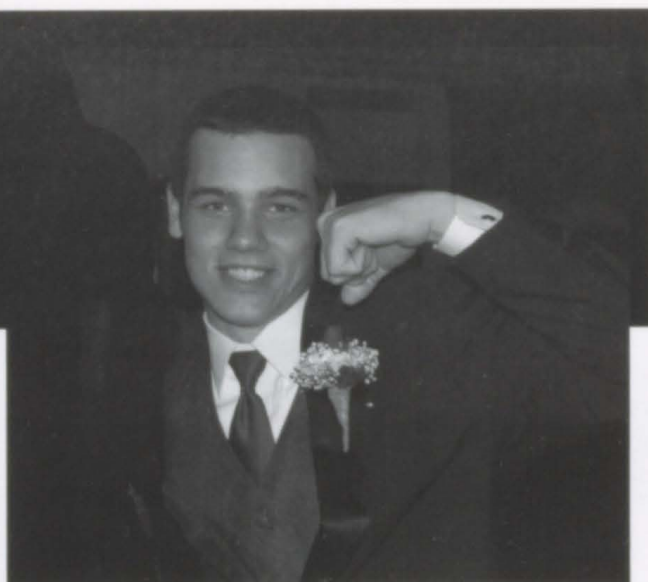

# Wanna be cool? Wanna get 'attractive' chicks??

You're not alone.  
Get the best advice from the masters of the art of gettin' the girl.

Follow our 3 steps, and be on your way to looking just like Drew and Dale, who got their girls by working their moves and being the studs they are inside.

Tip #1: Know how to show your strengths. Be confident. Girls like a mature man.

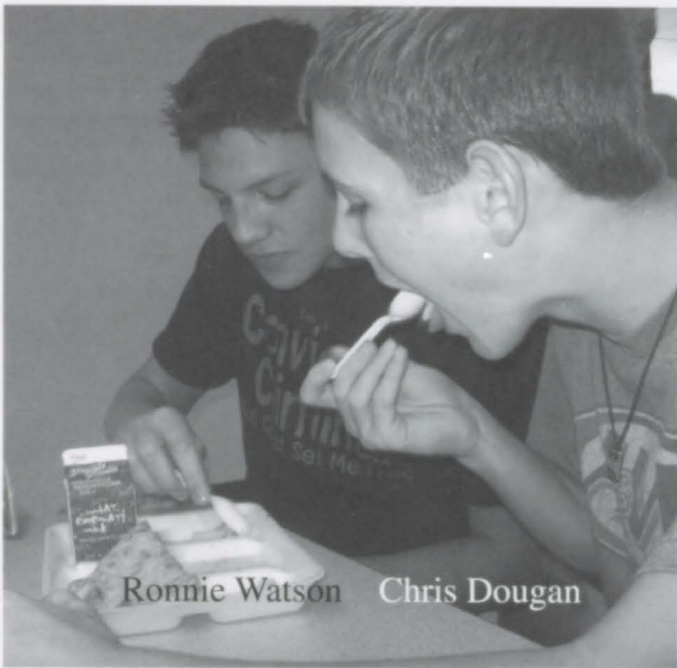

Tip #2: Hit them moves--hard. Everyone knows dance is the key to a woman's heart.

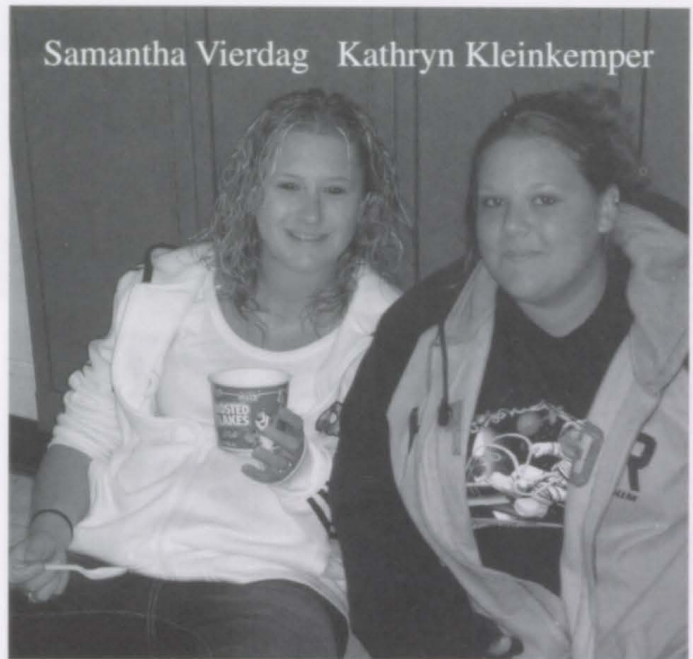

Tip #3: Don't be scared to give a wink. Upfront guys ALWAYS win the girl. So point, wink, and flirt away.

## WHAT HAPPENED WHEN???

# WHAT HAPPENED

## WHAT HAPPENED WHEN???

—As our city grows, so does pollution. Ms. Love and her students led the way in a “going green project” in 2008. Students participated by recycling old clothes, saving plastic bottles, and recycling paper.

—The English III Honors class all chipped in to adopt a polar bear. The bear was adopted from the World Wildlife Federation.

—Both the high school and Academy have both joined efforts to help save Darfur. Both schools have donated money. In return, those who donated recieved green bracelets to aid the cause.

—Academic Reassignment Teacher Patti Fink was deployed to Iraq during homecoming spirit week. The news of this was given at the end of the spirit games. Mrs. Fink recieved a standing ovation and was given a farewell basket by Mrs. Jefferson and some of the freshmen students.

—Future Business Leaders of America raised over 360 dollars by jailing students and teachers. The “inmates” were put into a mock jail cell for time periods ranging from 5 minutes to the whole lunch period. The event lasted three days and was a huge success.

—Juior Beth Ann Spiller was involved in a serious accident during the end of the year. She broke her leg and had a metal rod placed in it. She also had to have a metal plate placed in her head. She is looking to make a full recovery and come back to school next year completly healthy.

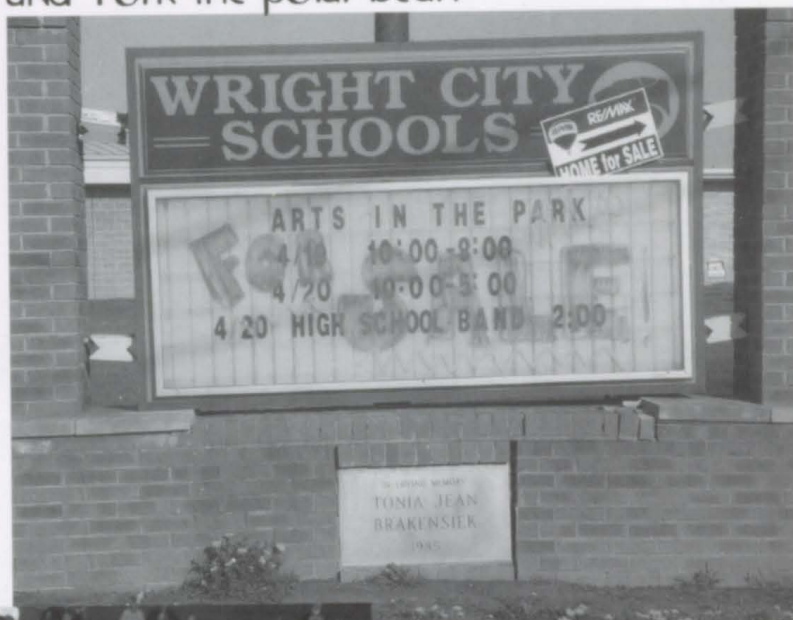

—The Seniors ended the year with a few pranks. The first was to put a for sale sign on the school and to put tons of for sale signs in the grass. As a final salute, the senior class of 2008 ran through the hallways spraying shaving cream and silly string. Water balloons were thrown as the other students came outside. There were a total of 79 graduates this year. Congratulations!

**Project Graduation at the YMCA was an absolute blast! Several seniors showed up and won prizes ranging from a brand new Wii to a mini fridge! There was a beautiful chocolate fountain for dipping marshmallows, strawberries, and even pizza (Schwab's idea). Thanks to all the parents for making this such a memorable experience!**

# biggest **FIB** about your first year...

"I never got a big **"F"** drawn on my forehead with red sharpie markers even though everyone said it would happen."

*Only in movies do you see freshmen getting drawn on with markers and thrown in trash cans. Although it is a fun way to give someone jitters before their first day, it is a fib.*

...but

just so next year's freshmen don't get the idea that they can just prance into high school because hazing "doesn't" happen... Just let them know: hazing **COULD** happen.

No freshmen were harmed in the making of this photo shoot.

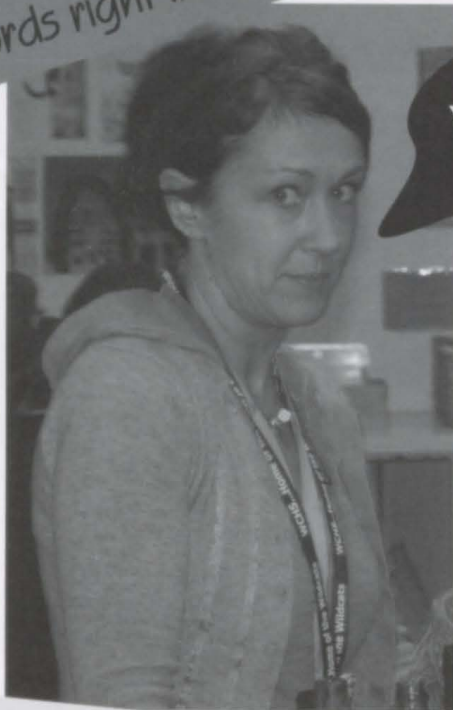

# Accidents

And then  
put a 2 right  
there...

Ever wonder what your peers  
are thinking in class? We put  
words right in their mouths!

**WOW!** He has NO  
idea how to do this...

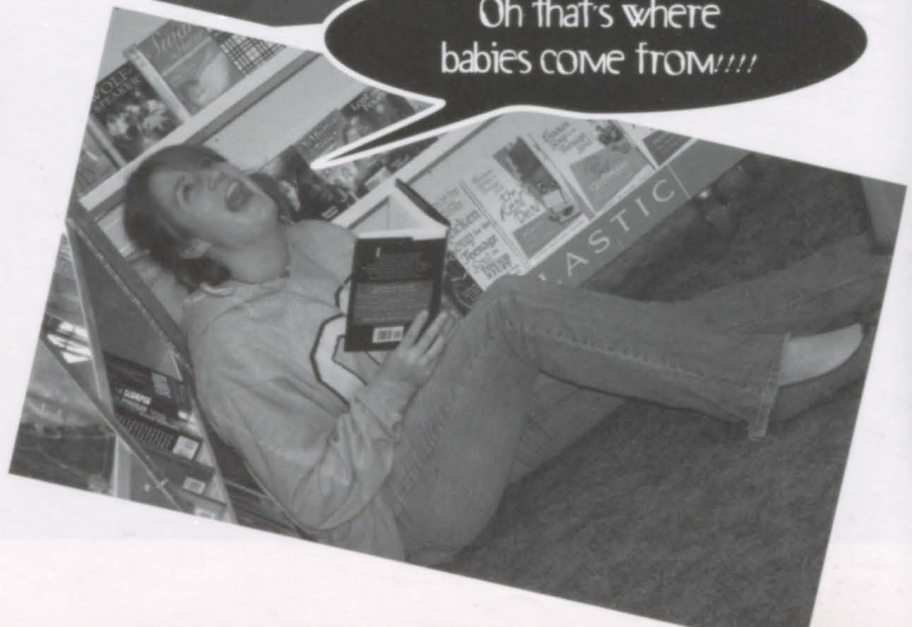

WHAT DID  
YOU JUST SAY  
ABOUT MY  
GERBIL?!

Awe MAN! I can't shop online  
for speedos if everything is  
blocked!

Oh that's where  
babies come from!!!!

OMG!  
They  
sell fried  
twinkies  
here!

I LIKE ENERGY DRINKS!!

Doesn't the word "doodie"  
just make you want to  
smile...?

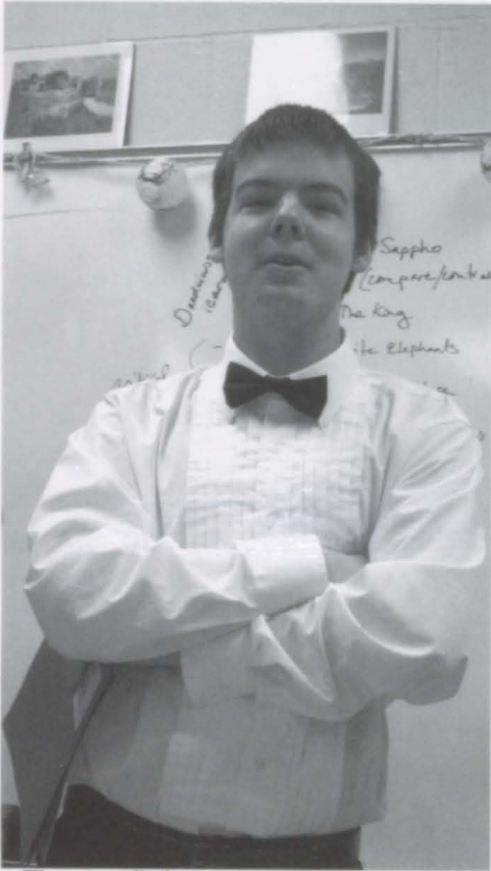

Sooo... what  
are you doing  
later? Movie  
maybe?

Another SNOW day  
would have been nice.

Dude, do you  
smell that? Burritos  
were a bad  
choice.
